II. Review of Expenditure Reports

   c. BCSAF Historical Data FY 2023 - 2026

Note From County HHS Finance: ***"As a reminder for the committee, per County Management, recommendations in FY27 should carefully consider prior year spending and YTD projections. Continuous allocation of funds to providers that fail to spend the full amount year over year will 1. Risk the BCSAF allocation being cut further or 2. Prevent us from being able to reallocate funding to other providers close to year end, which results in us not spending the full allocation. This will likely further result in a cut of the BCSAF allocation the following year because it looks like we could not spend it all."***

III. Discussion of Grant Applications

IV. Determine Action Items and Next Steps
