THE CITY OF ASHEVILLE
NORTH CAROLINA

Multimodal Transportation Commission Agenda
October 30, 2025, 3:30 pm - 5:00 pm
-In-Person Meeting-
City Hall First Floor Conference Room
City of Asheville's YouTube Channel
Special meeting

Mission: The mission of the Multimodal Transportation Commission (MMTC) is to assist the City in furthering, advancing, and promoting a comprehensive and integrative transportation system that incorporates multimodal concepts, including but not limited to transit, bicycle, and pedestrian facilities, greenways, complete streets, and highways.

Voting Commission Members: Jack Igelman (Chair), Kenny Armstrong (Vice-Chair), Joseph Chesler, Joshua Jones, Bill Loftis, Elyse Marder, Micah McLain, Cate Ryba, and Randy Warren.

Non-Voting Commission Members: Jared Wheatley (P&Z)

Council Liaison: Maggie Ullman

Call to Order

1. **Welcoming of Members, Staff, and Public**

2. **Approval of the Agenda** October 30, 2025

3. **Approval of the Minutes** September 25, 2024

4. **Public Comment**

5. **New Business**
   a. Transit Comprehensive Operations Analysis (COA) - provide Commission feedback on the two transit network concepts.

6. **Working Group Participation** - Appoint two MMTC members for each of the following projects.
   a. Traffic Calming
   b. Smith Mill Creek Greenway

7. **Next Regular Meeting**
   Advisory Boards will meet on demand through June 30, 2027, as
   The Council, the Council Committee, or department directors assign tasks.
   Additionally, advisory board members may ask their board's representative on the Helene Recovery Boards to present ideas to their respective Recovery Boards. Ideas may also be communicated to Council Committees, City Council, or the department director of the department that provides support to the advisory board.

8. **Adjournment**
