LINK TO MEETINGS: Policy, Finance, and Infrastructure

April 28, 2026, Policy, Finance, and Infrastructure				
Item	**Question/Request and who made it**	**Responsible Staff/ Dept.**	**CM/ ACM**	**Staff response/update**
PFI- Item #3	KR: How does Amazon Web Services fit into the Axon network, and how is it used for Real-Time?	Chief Stepp/APD	JD	Axon representative shared that she would reach out to the engineers to get clarity on this question.
PFI- Item #3	KR: Request to review the contracts for Axon and Flock	Brad/Legal Chief Stepp/APD	CM	Links to the requested agreements are included below. Please also see this memo for an explanation of the license granted to Flock in its contract with the City. Flock Agreement Axon Agreement The access to Respond/Fusus currently available to APD is included in the basic service package with Axon camera products. As of today, the City does not have a specific agreement for Fusus. The product that is in use is limited to only allowing access to Axon products, such as Body-worn and fleet cameras.
PFI - Item 2	More details CDBG-DR Planning Projects	Jaime/Bridget	JD	CDBG-DR Planning project one-pagers provide additional information on scope and outcomes for each project. Staff will present on the Economic Development Strategic Action Plan and the Emergency Shelter Development Plan at the PEDE meeting on May 11th. Staff will move forward with awards for Comp Plan & UDO Update and Deaverview Master Development Plan. Please contact Manager Wesley directly if you have questions about either of these two.
