    - City Council Work Session / PFI, August 26, 2025 (Heard Update - Draft Plan Release)

10. **Identify key issues:**
    - The Long Term Recovery Plan is a unified plan that coordinates recovery efforts among all local governments within the County.
    - The plan identifies a selection of recovery projects and provides timeframes, general resource needs, and complexity guidance to the general public.
    - The initial draft plan was released in August 2025, and public comments were received through a unified system implemented by Buncombe County.
    - Edits have been incorporated into the plan to reflect public feedback that was received regarding the city-specific section of the plan.
