David Angelus
Region Finance Chair
Audit Committee Member

David's passion for Porsche began in 2005 after a Chicago friend offered him a ride home in his 911, then in the coming days volunteered to teach him to drive a manual transmission so he could own one too! As with many newbies to the brand, David spend nearly 18-months seeking the "right" car. Thankfully, his wife Dianne and his friend decided it was time for an intervention and threatened to purchase a car for him unless he moved forward soon.

Fast forward to late 2008, David becomes the proud owner of a low mileage 2007 911 with a six speed transmission and a CPO warranty! His friend promptly informed him of the *requirement* to join the PCA Chicago Region where David actively participated in Concours, Driving Tours and many social events, making many lifelong friendships. At a Labor Day event at Road America in 2016, David was asked to join the PCA Chicago Region Board as Treasurer for 2-years before becoming Vice President.

In 2019, David and Dianne relocated from Chicago to Asheville, N.C and transferred to the PCA Appalachian Region allowing them to continue their club engagement while making new friends through PCA for a second time!

In early 2020, David became the Region Finance Chair and will become a member of the National Audit Committee in 2021. David drives a 2015 911 GTS and Dianne's "cool factor car" is a paint-to-sample 2017 Macan S in Graphite Blue Metallic.

David holds an M.A. from the University of Illinois in Urban Planning and Policy Analysis and a B.A. from DePaul University in Political Science. He also has a Graduate Certificate in Project Management from DePaul University. David is also actively involved in his local community. He resides in Asheville, N.C with his wife, Dianne.

Local and National Leadership Roles (Currently Held):

- David serves on the National Staff of the Porsche Club of America as the Region Finance Chair and member of the National Audit Committee.
- David is a Board Member (and Finance Committee Member) for the Manna FoodBank in Asheville which serves all of the counties in Western North Carolina.
- David is a Board Member (and Treasurer) of the Swannanoa Valley Museum and History Center in Black Mountain, NC.
- David is a Lead Volunteer with the National Park Service providing leadership and management oversight for two local Blue Ridge Parkway programs.
- David was appointed by the Asheville City Council to serve as an Alternative Member of the Board of Adjustment.

List any special qualifications and or experiences you have for service on this board. (If applying for more than one board, please be specific.)
I have very good administrative skills with a history of ordering/maintaining levels of inventory for Tyson Furniture.

What do you think will be your best contribution to the board? (If applying for more than one board, please be specific.)
My biggest contribution to the board will be my dedication to the board and the serving the community to the best of my ability.

What would you like to achieve if appointed to this board? (If applying for more than one board, please be specific.)
I would like to bring meaningful contribution to the ABC Board that benefits the organization and the community at large. Specifically, I would like to bring a focus on local products and sustainability.

Please describe your ability to listen and consider perspectives that are different from your own.
I always take an open minded and thoughtful approach when listening to others, regardless if I agree or disagree with their opinion. Having different perspectives is often good for progress.

Are you aware of any potential conflicts of interest that exist or may arise during your service on the board (i.e., property interest, business interest, etc.)? If yes, please explain, and if applying for more than one board, please be specific.:
I don't currently have any potential conflicts.

List any special qualifications and or experiences you have for service on this board. (If applying for more than one board, please be specific.)
I was City Council Liaison to the ABC Board while serving on Council, became a board member following Council membership. I served two terms as an ABC Board member and chairing the Board two years.

What do you think will be your best contribution to the board? (If applying for more than one board, please be specific.)
I have a working knowledge of this important board, enjoying a very good relationship with ABC staff and City Council. I was an instrumental part of modernizing facilities, profitability and customer service from the poorly managed Board in 2005, working to establish the current Board with my service ending in 2022. Under the current leadership of Council, Mark Combs, Jason Thacker and staff working with a responsible and proactive Board of Directors the Asheville ABC Board has become the model for the NC State ABC Commission. I would like to continue to be a strong advocate for our ABC control system in this uncharted political water at the state level. We have in place a very good system controlling sales of spirits. Both profitable and responsible. I was actively involved in the land purchase and renovation of our modern and hugely important warehouse. I have been active in the state ABC Association. I would like to again help move our Board into future endeavors through my knowledge of business, controlled distribution of spirits and the importance of this public asset.

What would you like to achieve if appointed to this board? (If applying for more than one board, please be specific.)
Continued growth and profitability while maintaining a well-controlled sale of spiritous alcohol. With the possibility of legal sales of beverage cannabis, we need to be positioned as a likely responsible controlled distribution entity.

Please describe your ability to listen and consider perspectives that are different from your own.
Many years of service on boards and commissions: Buncombe County Environmental Affairs Board, Civic Center Commission, Asheville Planning and Zoning, City Council and liaison to many City boards and commissions, chairing many of them.

Are you aware of any potential conflicts of interest that exist or may arise during your service on the board (i.e., property interest, business interest, etc.)? If yes, please explain, and if applying for more than one board, please be specific.:
