Mayor Keith Warren called the Emergency Meeting to order at 6:05 PM.

Mayor Keith Warren led the Pledge of Allegiance.

The meeting began with Town Manager Winebarger informing the Council that the Board of Commissioners are planning to hold fire tax rates firm for all districts in the upcoming budget season. Manager Winebarger said County staff would be willing to meet with us regarding the Town's requested increase due to the merger.

With the impending adoption of the 2026/2027 FY budget, the Council discussed areas of the current proposed budget that could be cut. The Council also discussed increasing the Parks and Rec fees and concession fees.

The consensus of the Council was for Town Staff to identify any potential cost savings and report these to the Council via email.

With there being no more business to attend to, Councilwoman Johnson made the motion to adjourn at 7:38 PM. After a second from Councilman Mosteller, the motion carried unanimously.
