Dear Manager Hildebran:

The North Carolina Department of Environmental Quality (DEQ) Division of Water Infrastructure (DWI) has reviewed your funding application for the project listed above, and we're pleased to share that the State Water Infrastructure Authority (SWIA) has determined your project is eligible for funding as shown below.

Funding Information

Funding Source:	Drinking Water State Reserve Program (DWSRP)
Total Funding Amount*:	$3,000,000 total additional funding including $3,000,000 DWSRP Loan with the loan term below This brings the total funding for the project to $20,095,000, including previously awarded funding.
Loan Term:	2.45% interest rate over 20 years
Total Project Cost:	$24,796,000
Fee:	2% of the DWSRP award to be invoiced after bids are received

Please note that this intent to fund is contingent on DWI receiving funds from the US EPA, approval of the loan portion through the Local Government Commission (if applicable), and on meeting all the following milestones:

Milestone*	**Date**
Engineering Report Submittal	8/17/2026
Engineering Report Approval**	01/15/2027
Bid and Design Package Submittal	7/15/2027
Bid and Design Package Approval	11/15/2027
Advertise Project, Receive Bids, Submit Bid Information, and Receive Authority to Award	3/15/2028
Execute Construction Contract(s)	6/15/2028

*Failure to meet any milestone may result in the forfeiture of funding for the proposed project.
**Funding offer will be prepared after Engineering Report approval.

Submittals and Disbursement
All project documents must be submitted via Laserfiche: https://edocs.deq.nc.gov/Forms/DW-Document-Upload-Form.

The first milestone is the submittal of an Engineering Report by the date shown above. The Engineering Report must be developed using the guidance found on our website's *I Have Funding* webpage at https://www.deq.nc.gov/about/divisions/water-infrastructure/i-have-funding. This website includes Engineering Report guidance, checklists, and templates to use for funded projects.

Upon detailed review of the project during the funding process, it may be determined that portions of your project are not eligible for funding and the total funding amount may be reduced. Additionally, changes in the scope or priority points awarded that become apparent during project review may also result in changes to the total funding amount and loan terms.

Prior to the first disbursement, required documents will include, but are not limited to:

1. Executed funding offer and Conditions & Assurances
2. Governing body resolution accepting the award (sample attached)
3. Federal Tax ID / UEID form (attached)
4. Sales tax certification (attached)
5. Executed contracts and service agreements
6. Engineering Services Procurement Certification (attached)
7. Site Certification (if applicable)

DWI will notify you when these documents are required. Loan components must receive LGC

approval prior to disbursement.

Disbursement of Funds

Funds are disbursed to the Recipient for eligible costs that are documented as part of the project only after the costs have been incurred by the Recipient and all necessary documentation has been received and approved by DWI. If the Recipient requests disbursement before paying contractors, payment to contractors must be made within three business days of receiving the funds.

After required documents have been reviewed and approved, the Recipient will request disbursements through the DWI's EBS system at: https://www.ebs.nc.gov/logon/index.html. A reference copy of the Disbursement Request Form, access to the EBS portal, and frequently asked questions are available on the DWI website at: https://www.deq.nc.gov/construction-disbursement-funds.

Document Naming Conventions and Identification Requirements

To support timely review and processing, all required documents must be clearly named and properly identified when submitted through Laserfiche or any other designated portal.

Please use clear, consistent file names in the following format:
Project Number_Document Type_Date
(Example: SRP-W-ARP-0000_Resolution_2025-01-18.pdf)
Using this naming convention helps ensure documents are correctly categorized and processed without delay.

Examples:

- SRP-W-ARP-0000_Resolution_2025-02-10.pdf
- SRP-D-ARP-0000_ExecutedEngineeringContract_2025-01-15.pdf
- SRP-W-134-0000_UEIForm_2025-02-01.pdf
- SRP-W-ARP-0000_InsuranceCertificate_2025-03-05.pdf
- SRP-D-134-0000_SiteCertification_2025-01-30.pdf

Additional Requirements

Projects must comply with:

- N.C.G.S. 143-64.31 (Engineering Procurement)
- Davis-Bacon wage requirements
- American Iron and Steel provisions
- LGC debt approval and legislative notification requirements, if applicable
- Annual audit compliance

Topic	Requirement

Engineering Services Procurement	All projects must comply with N.C.G.S. 143-64.31 (Article 3D) governing procurement of architectural, engineering, and surveying services. Qualification-based selection cannot be waived under N.C.G.S. 143-64.32. Any services procured outside of federal and state requirements will be ineligible for disbursement.
Davis-Bacon & American Iron and Steel (AIS)	All SRF-funded projects must comply with Davis-Bacon prevailing wage requirements and American Iron and Steel provisions. Standard specifications are available on the DWI I Have Funding webpage.
Local Government Commission (LGC) Approval	Projects that include a repayable DWI loan must receive approval from the Local Government Commission (LGC). Final debt approval occurs after construction bids are received and must be coordinated directly with the LGC. Required materials should be emailed to srf@nctreasurer.com.
Legislative Notification (G.S. 120-157.2)	Local governments issuing debt greater than $1,000,000 must submit a notification letter to the Joint Legislative Committee on Local Government (Committee Chairs, Committee Assistant, and Fiscal Research Division) at least 45 days prior to presentation before the LGC. A copy of this letter must also be provided to DWI.
Annual Audit Requirement	Local government recipients must be current on all annual audits to receive loan or grant disbursements. The most recent audited financial statements must be submitted to the LGC by July 1 following the close of the fiscal year.
Extended Term Loans	Projects eligible for a targeted interest rate that demonstrate a weighted average design life greater than 20 years may qualify for an extended loan term, up to the calculated design life (not to exceed 30 years). Requests must be coordinated with the DWI Project Manager and supported by the design life calculation found on the I Have Funding webpage.
Coordination with Other Funding Sources	SRF funds may not duplicate costs already funded by another state or federal source. Recipients must notify the DWI Project Manager if they have secured or are seeking other funding (including FEMA Public Assistance) for any portion of the project scope.
Declination of Funding	If the recipient chooses to decline this potential funding, a signed declination letter on official letterhead from the Authorized Representative must be submitted within 30 days of receipt of the Letter of Intent to Fund.
Future Funding Eligibility	Additional funding may only be considered for documented unfunded project costs. The amount identified in this Letter of Intent will not be considered in future applications. To pursue different funding terms for the same project through another DWI program, the recipient must reapply and formally decline this funding prior to the application deadline.

If you choose to decline this potential funding, please submit a signed declination letter on official letterhead within 30 days of receipt. If you have any questions, please contact the assigned Project Manager, Jason Fulton.
