The Saluda Library Teen Space is a safe place where all individuals grades 6th-12th are welcome. Saluda Teen Space Expectations

- Respect the space.
- Respect library staff.
- Respect each other.

Library staff are available in the Teen Space when possible, but it is the responsibility of those using the space to follow policies and meet expectations regardless of staff presence.

As a user of the Saluda Library Teen Space, I agree to meet the Teen Space expectations and follow the Conduct and Safe Child policies.

For parents and guardians

My child and I understand that all Saluda Library visitors are expected to follow the PCPL Conduct Policy and that failing to do so may result in the loss of library privileges.

I understand that if my child is asked to leave the Teen Space as a result of a violation of the above expectations or related policies, staff will notify me of the situation by email.

As the parent or guardian of the student (grades 6-12) identified here, I agree that they may utilize the Saluda Library's Teen Space. I have reviewed the Teen Space expectations, Safe Child Policy, and Conduct Policy (https://polklibrary.org/policies/) and agree to the guidelines.

A signed Saluda Library Teen Space Agreement is required for all Teen Space users. Students using the space for the first time each school year will have two weeks to arrange for their parent or guardian to personally present this printed and signed form to a staff member at the Saluda Library. This form will be kept on file throughout the 2024-2025 school year.
