Ref: Fireworks Display for July 4th, 2026

Date: May 12th, 2026

In the North Carolina law, fireworks displays are required to be approved by the County Board of Commissioners and/or City Council. This change came in effect February 1, 2010, and the approval must be granted prior to a permit being issued by the Fire Marshal's Office. I have attached a copy of General Statute 14-413. I am acquiring copies of one (1) application packet for fireworks display inside the City of Lenoir. The date of the display is July 5th, 2026 and conducted by Skyworks Pyro(JECO Pyrotechnics), Inc. for City of Lenoir Parks & Recreation. The display is located at Lenoir Optimist Park located at 701 Mulberry St SW, Lenoir NC, 28645. The General Statute requires that the County/City ensures proof of insurance prior to providing approval. A copy of the insurance certificate is provided in the packet provided by Skyworks Pyro. I have required that the information be submitted by each applicant that is required by the North Carolina Fire Code and this office will conduct the necessary inspections of these sites prior to the display. I would respectfully request that this fireworks display be placed on the next agenda for consideration by the City Council. It is my understanding that most Counties/Cities are placing these items on the consent agenda once the insurance certificate has been verified (it has). As always, if I can be of any further assistance in this matter, please do not hesitate to contact me.
