Bid for One Dual Purpose Narcotics Detection, Patrol, and Trailing K9

Below you will find a detailed bid for **One Dual-Purpose Narcotics Detection, Patrol, and Trailing K9** that you requested. Please do not hesitate to contact me if I can be of additional service or if you have any questions.

1. Highland Canine Training, LLC will provide a **German Shepherd, Dutch Shepherd or Belgian Malinois** with suitable drive for training in patrol, detection, and trailing functions.

2. Highland Canine Training, LLC will **unconditionally guarantee** that the dog will pass the physical health standards including but not limited to screening for hip dysplasia. A dog that fails the health requirements will be replaced at Highland Canine's cost. Highland Canine further **guarantees** the dog against any congenital health defects, which, in the opinion of the purchasing department's veterinarian, will limit the dog's ability to function as a detection dog, for a period not to exceed **2 years** from the date of purchase.

3. Highland Canine Training, LLC will **guarantee** the dog will meet the requirements of the purchaser in terms of temperament and workability provided the purchasing agency properly maintains the K9 and handlers training as covered in the handlers training course and the training is documented in training records.

4. Highland Canine Training, LLC will train the dog in the areas of **apprehension**, handler protection, building search, narcotics detection, **(Cocaine, Heroin, Methamphetamines, PCP, MDMA and LSD)** obedience, practical agility and **trailing**. The dog will be trained to nationally recognized standards.

5. The price of the dual-purpose dog and the training outlined above will be **$12,615**. This price also includes:

    - **4 (four) week handler school**
    - **Lodging for the handler**
    - **Certification**
    - **Course Materials**

- **Free in-service training for as long as you own the dog**
- **Free re-certification for as long as you own the dog**

6. A non-refundable deposit of 50% is required to hold a dog. The remaining 50% is due prior to the start of handler school.

7. Some dogs may need more training time, which may be determined in the course of training. There will be **no** additional charges for additional training time to complete the requirements set forth in section 4 above.

8. This bid is valid for 60 days from the date listed above.

9. The price listed above does reflect a returning client discount.

Thank you for contacting us and giving us an opportunity to earn your business, and more importantly, your trust. Again, please do not hesitate to contact me with any questions, concerns, or special requests.
