Dear Ronald,

The North Carolina 911 Board Grant Committee completed the FY2025 Grant Program review process and subsequently made recommendations to the 911 Board on August 23, 2024. Via electronic submission of this letter, I am pleased to advise the recommendation was unanimously approved by the Board for the award of Caldwell County 911 Communications, 911 and Emergency Services Facility Project, in the amount of ***$2,659,312.07***.

To continue the process for the award of grant funding, an intent of acceptance is required by Caldwell County 911 Communications. Once this acceptance is received, preparation of the grant agreement that will outline the terms and conditions of the grant award will begin. Please advise of Caldwell County's willingness to accept the noted award amount and to complete the grant project in its entirety as submitted in the grant application. Your acceptance of the grant award must be received no later than **Friday, September 13, 2024**, by a letter submitted electronically as a response to the email in which this letter was transmitted.

The grant agreement will be presented to Caldwell County no later than **Friday, November 1, 2024**. The County must then advise of acceptance of the grant agreement no later than **Wednesday, December 4, 2024**. The signed grant agreement will be due back to me no later than **Friday, January 3, 2025,** for countersignature. The execution of the grant agreement will be handled electronically. Exchange of hard copies via USPS or in-person will not be necessary. You are being notified of these key dates to ensure the award process can be finalized appropriately. Therefore, please note failure to meet any deadline outlined in this letter will result in the award being de-obligated.

Congratulations on the award for your project! We look forward to working with you on it.

Sincerely,

L. V. Pokey Harris
