What do you feel are your qualifications for serving on the board requested?

As a product manager at Eaton, I have extensive experience in project management, strategic planning, and regulatory compliance. My professional background equips me with the skills necessary to understand zoning regulations and land development processes.

In addition to my corporate experience, I have personally built my own home as an owner-builder and managed multiple major remodels. This hands-on experience gives me a practical understanding of building codes, zoning laws, and the challenges of construction projects.

I am committed to contributing to the growth and development of Fletcher by applying my expertise to the Planning Board & Zoning Board of Adjustment.

I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any

damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee meeting is important and accordingly, I further understand that if my attendance is less than the standards established for any body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Town Clerk and requests for updates will be sought prior in any consideration for re-appointment (or future appointment) to any Board/Commission/Committee.
