Most board or committee seats have no special requirement other than being a citizen of Burke County. Do you have special criteria that you would like to be considered for this appointment?	My 1st and 3rd interest are because I have been a Licensed Home Builder, and real estate investor in Burke County for 29 years. I have been a resident of this county for my entire life (53 years). My interest in the Opiod Advisery Board is more of a passion project. My educational background is that I have a Bachelor Degree in Social Work from Appalachian State University and having been in the construction industry for 29 years, I have seen multiple workers etc that I have know personally die from their opioid addiction.
Describe why you are interested in serving on a board or committee. What goals and objectives do you have?	I feel like I have lots of experience and would like to give back by serving my community. Back in '21 I lost both of my parents in 30 days and this experience forced me to look closely at my own mortality. I have come to a place where I have begun to seriously consider my own personal legacy and how I want to remembered when my time on earth is up, and I for sure always want to be know as someone who gave back to the community.
