	2020	2021	2022	2023	2024
Participants	65	63	63	53	52
Graduates	6	11	13	12	5

Between 2020 to 2024, three Family Self-Sufficiency graduates purchased homes; one opened a new business; and all graduates made improvements in their employment by finding jobs, moving to better-paying jobs, or increasing their employability by obtaining certificates or degrees. Partnerships created by the FSS coordinator with agencies in the community bring these opportunities to HUD-assisted families.
