What do you feel are your qualifications for serving on the board requested?

I live in this area and have young children who are very involved with Fletcher sports and attend summer camps. We utilize facilities at the park for parties and other personal meetings, exercise, and recreation. I am also a physical therapist who recommends my patients utilize Fletcher Park/Bill Moore Park for personal exercise. I have a personal vested interest in this community. I am a professional and a mother in the community which can provide a great insight and perspective.

What do you feel are your qualifications for serving on the board requested?

During 15 years in the fitness industry, I spent a significant amount of time managing very large facilities, working with fire departments, building inspectors, health inspectors, and contractors to ensure compliance and successful project management.

From 2018-2019 I oversaw the brand new construction of a 5500 square foot fitness facility in a small town with strict zoning regulations and historic preservation guidelines. We had to ensure that everything from our window designs to exterior lighting complied with the requirements of the town.

These experiences have given me insight into the mandates these boards have to build a community in their citizens and residents' visions.

Living next to Bill Moore Community Park, I have probably visited the park over 1000 times with my children and dogs. It is one of my favorite places of any I have visited and it brings character, community, and soul to Fletcher. I believe that the park, supporting it, and enabling access to it, should be central to all decisions made by the board.
