5. **Please explain why you wish to obtain this appointment:**

I have years of experience as a grassroots organizer and activist where I was in positions where I had lead meetings, and moderated them to continue good faith conversation where every member has a chance to offer their insights, opinions, and values. I am reaching my first year term on the planning commission board and I have learned so much as well as expressed different perspecitives on issues that face our community. I would like to continue serving my community and continue my journey in public service with all of the knowledge, care and experience that I have.
