LAND USE PLAN COMPLIANCE

The land use plan shows the property in the **Mixed Use Residential/Commercial** Planning Area.

These are planning areas in select, older portions of the City where true "urban villages" consisting of high-density residential uses (both single- and multi-family) and associated small-scale and pedestrian-oriented offices and retail uses may be located. The thrust behind these planning areas is to create areas in which persons are able to both live, work and shop. They are designed to emulate development patterns from the early and mid portions of the twentieth century when reliance on the automobile was not paramount. In order for such a concept to be feasible, an area of significant size must be so designated thus ensuring that there will be ample room for the variety of uses needed to create a "village.“

Staff views this rezoning as consistent with the Land Use Plan.

STAFF COMMENTS

Planning – If the rezoning is approved, a zoning permit from the City of Lincolnton and a building permit from Lincoln County will need to be obtained.

City Water/Sewer - Sewer connection will need to be made in the rear of the property. Water connection in the front.

NCDOT - Use the existing curb cut for the driveway. For the installation of the water tap, you will need an encroachment agreement.

Lincoln County Erosion Control – Will need a single lot permit.

Staff's Proposed Statement of Consistency and Reasonableness for APPROVAL of Application

Case No. ZMA-3-2024
Applicant: Matt Johnson
Parcel ID#: 83196
Location: N. Aspen Street
Request: Rezone from GB and R-8

The Lincolnton Land Use Plan designates this property as part of the Mixed Use Residential/Commercial Planning Area. The proposed rezoning request **is consistent and reasonable** with the Lincolnton Land Use Plan in the following ways:

CONSISTENT:

- This Planning area is designed for true high-density residential uses, associated small-scale, pedestrian-oriented offices and retail uses.

REASONABLE:

- Because it develops underutilized vacant land; rezoning to R8 follows the intent of this planning area.

Staff's Proposed Statement of Consistency and Reasonableness for DENIAL of Application

Case No. ZMA-3-2024
Applicant: Matt Johnson
Parcel ID#: 83196
Location: N. Aspen Street

Request: Rezone from GB and R-8

The Lincolnton Land Use Plan designates this property as part of the Mixed Use Residential/Commercial Planning Area. The proposed rezoning request **is consistent** with the Lincolnton Land Use Plan. However, a commercial use would be more desirable in the area and therefore, **denial of the proposed amendment is reasonable and in the public interest.**

Planning Board Vote:

Unanimously in favor of approval

Planning Board recommend the following actions:

1. Recommend approval of rezoning of the property from General Business to Residential 8

2. Approve the statement of consistency for approval of the rezoning request
