Why Do You Wish to Obtain this Appointment?*

I am a historian who is heavily involved with the Watauga County Historical Society. Within that role, I have been seeking ways to get further involved with the preservation of Watauga County's history and historic landmarks. I became aware of the Historic Preservation Commission when I was sent as the WCHS representative for the Stoneman's Raid unveiling. Following that point, I have been very interested in assisting the HPC with its mission.

Please Explain Your Level of Support for Boone Next:*

I am highly supportive of the Boone Next Planning Principals to preserve Boone's historic buildings and the need to enhance the town's walkability. Having lived in Boone all my life, I've keenly felt the automobile-first planning philosophies of past town councils. Additionally, as a historian I have been heartened to see the town's commitment to protecting our historic landmarks especially in the wake of the destruction of the Daniel Boone Hotel.

Please Explain Your Support for the Community Climate Action Plan (If applying for a position on the Sustainability Committee):*

I strongly support the Climate Action Plan. Boone is in a beautiful section of the Appalachian Mountains, but this beauty needs to be protected. This landscape would be much worse without local governments, such as the Town of Boone, to protect the trees and waterways that are so important to Appalachia.
