	ETA Limited Structural Warranty Summary SKU: eta_struc_warr Every ETA remount includes a 15-year structural warranty on the module body frame, exterior aluminum panels, and permanently installed aluminum cabinets. We cover 100% of parts and labor for the first 5 years, then continue prorated coverage through year 15. The warranty protects against structural defects and weld-related electrolysis, with exclusions for general corrosion, cosmetic items, third-party parts, and misuse. The complete warranty will be included in your delivery paperwork.	1
	ETA Limited Supplemental Paint & Coatings Warranty Summary SKU: eta_paint_warr Every ETA remount includes a 5-year supplemental paint warranty. We cover defects such as peeling, cracking, loss of gloss, or failures caused by defective refinishing materials. Labor is covered in full for the first 3 years, then prorated to 75% in year 4 and 50% in year 5. Exclusions include normal wear, corrosion, environmental damage, accidents, or improper care. The complete warranty will be included in your delivery paperwork.	1
	ETA Limited General Remount Warranty Summary SKU: eta_gen_warr Every ETA remount includes a 3-year / 36,000-mile general warranty. We cover 100% of parts and labor in the first year, then continue prorated coverage through year three. Some exclusions apply (such as normal wear, third-party parts, or module construction items that remain under the original manufacturer's responsibility). The complete warranty will be included in your delivery paperwork.	1
	ETA Limited Electrical Warranty Summary SKU: eta_elect_warr Every ETA remount comes with a 5-year / 100,000-mile electrical warranty. We cover all parts and labor the first year, then continue prorated coverage through year five. Some exclusions apply (such as normal wear, third-party parts, misuse, or environmental damage). The complete warranty will be included in your delivery paperwork.	1

Total: $146,329.016

Terms & Conditions:

INVOICING AND PAYMENT TERMS:
Vendor shall submit a single original invoice for each payment due under this Sale Agreement. Each invoice must itemize the products or services rendered in accordance with the terms set forth in the associated Quote and must reference the Customer's Purchase Order Number.

If the Sale Agreement includes provisions for progress or advance payments tied to specific milestones or activities, the Vendor's invoice must certify that the corresponding milestone or activity has been fully completed. Upon such payment, the Customer shall acquire a security interest in the applicable products to the extent of the amount paid.

Unless otherwise agreed to in writing, all payments shall be due upon delivery of the unit and receipt of the corresponding invoice.

Payments may be made by check or wire transfer. For payments made by check, checks should be made payable to: Emergency Transportation Associates, LLC.

DELIVERY TERMS: The products listed in the estimate are to be delivered Free On Board (FOB) Destination to Deep Gap, NC Customer representative(s) will pick up the unit at upfitter location, 307 Yuma Lane E Deep Gap NC 28618 and transport it to their final destination at customer expense unless otherwise specified in the Vendor quote.

PROPRIETARY INFORMATION, CONFIDENTIALITY AND ADVERTISING:
All commercial, financial, or technical information provided by Vendor to Customer shall be considered proprietary and confidential. This information may not be shared with any third party without the Vendor's prior written consent.

This confidentiality obligation remains in effect even after the termination of this agreement. Upon request, Customer agrees to return or destroy all confidential materials, including any copies or reproductions.

This obligation does not apply to information that was publicly available through no fault of the Customer or already lawfully in the Customer's possession prior to the date of this quote, as documented in written records." "CHASSIS PAYMENTS DUE AT TIME OF ORDER - Due to the new rules and regulations set fourth by the chassis manufactures all projects chassis must be paid for at the time of order.

Once your order is processed you will receive an email from ETA with the following

- RO Reference Number
- Total Amount of the project
- Total amount of the chassis cost due
- Total amount due at the time of projects completion

Unless otherwise agreed upon the customers take off chassis (old) is considered traded in to Emergency Transportation Associate's, LLC. A trade in value as already been applied to this order and is included in the total price that is listed on the first page.

Cancellation Policy:
Due to the custom, made-to-order nature of ambulance remount and upfit projects, any cancellation must be submitted in writing and will be subject to cost recovery. Once a chassis has been ordered, the chassis cost is non-refundable. If cancellation occurs after materials have been procured or production has begun (including demount, fabrication, paint preparation, electrical installation, or structural modifications), the Customer shall be responsible for all costs incurred to date, including labor performed, materials ordered (whether installed or not), and a minimum charge of thirty-five percent (35%) of the total project value to cover administrative, engineering, and production scheduling commitments. If the project is substantially complete at the time of cancellation, the full contract amount shall be due.

Acceptance & Signatures:
To move forward and secure your order and production slot, please sign below, initial the lower right corner of each page, and return the completed proposal to your Sales Associate at the email address listed on the first page. We look forward to partnering with you and your department on this project."

Final Detail	Detail interior or cab and module

Delivery of remounted unit will be calculated after receipt of chassis and module to Fleet Plus (remount shop) in Tyler, Texas. Unforeseen issues will be brought to customer's attention for direction prior to additional cost incurred. Additional items including parts, labor and/or outside services that may arise, or customer add-ons, require a change order process to proceed with remount. Call your sales representative with any questions. To accept this quote, sign below, date and if applicable, provide purchase order number and return to your Texas Remount & Equipment Sales representative.
