SUBJECT: Discussion of Stormwater Improvement Grant Program for Private Property Owners

Attached is a revised draft of the Town's Stormwater Off-Right-of-Way Grant Program. A draft was first presented at the September meeting. Some revisions from that discussion were incorporated and are reflected in this version.

It was also discussed that we should have our Town Attorney, and our engineering firm review the guidelines for the grant. Our Town Attorney has since reviewed the program and is comfortable with it. I met with Ben Cathey from McGill Associates yesterday and I will go over his comments at the Agenda Review meeting.

If you should have any questions regarding this item prior to the Agenda Review meeting, please feel free to contact me.
