   C. North Carolina Department of Transportation - Troy Wilson, Division 14 District I Engineer.

      I. Highway 176 Update

Mr. Wilson gave an update on Howard Gap Road. He explained that the project has been estimated at approximately $12 million. NCDOT has completed preliminary engineering and geotechnical work and is pursuing federal funding through the PROTECT Grant program.

Mr. Wilson also provided an update regarding US 176. The project has been awarded, and the contractor has begun mobilization. NCDOT is reviewing potential design changes that could provide time and cost savings. The roadway will eventually be gated and closed to through traffic during construction for the safety of workers and the traveling public. Construction is expected to take approximately two years.

I. SR-1547 Road Abandonment Resolution

Mr. Wilson explained the proposed abandonment of SR 1547, also known as Hicks McAbee. The road is a dead-end road serving three property owners. NCDOT had been considering improvements to the bridge and roadway that would require additional right-of-way. The property owner instead requested abandonment of the road.

Commissioner Beiler moved to approve the resolution requesting that NCDOT review and abandon SR 1547, seconded by Commissioner Hargett, and the motion carried unanimously.
