BURKE COUNTY JCPC

PROGRAM DESCRIPTIONS FY 2026/2027

BURKE RECOVERY

Adolescent Substance Abuse Assessment: The Adolescent Assessment Services provides a comprehensive clinical assessment for youth ages six (6) to eighteen (18) who are considered at risk for involvement in alcohol or other drug use. The assessment process is to identify the level of risk for a substance use disorder and make appropriate referrals which may include education-prevention, substance abuse treatment and/or behavioral health interventions. Priority is given to youth involved with the juvenile justice system.

Adolescent Substance Abuse Treatment: The treatment component of this program serves youth between the ages of six (6) to eighteen (18), who have received a substance use assessment and have been recommended to complete a low intensity outpatient treatment program. Adolescents served will meet criteria for a substance use disorder according to DSM-V. They will also have met ASAM program placement criteria for Level One outpatient treatment.

CONFLICT RESOLUTION CENTER: Conflict Resolution Education program provides youth ages 9-17 the opportunity to build skills by identifying problematic attitudes, beliefs and thinking patterns leading to delinquency. The goals of the program are to increase effective communication, collaborative problem-solving skills and provide anger management and de-escalation techniques.

Juvenile Mediation provides youth ages 9-17 the opportunity to deal with conflicts and to help participants to be accountable for their actions. The goals of the program are to increase effective communication, collaborative problem-solving and implementing an agreement between two or more parties.

Restorative Circles process, participants (ages 11-17) discuss the circumstances & impacts that the offense/harm has had on the community, offender & victim and try to come to a complete consensus for the best way to resolve the conflict that has been created because of the crime/harm.
Teen Court referred youth are tried by peers & assigned to rehabilitative & restorative measures to repair, encounter & transform by involving everyone that was most harmed by the criminal activity

KIDS AT WORK: Kids At Work is an interpersonal skills development program based around the culinary arts. Youth are a part of the program for 16 weeks and meet for three hours once a week for instruction. The curriculum consists of 24 hands-on lessons that are designed to meet the clients unique learning styles and help them apply the skills in a work environment. Youth ages 15+ also receive ServSafe food safety training leading to a nationally recognized certification sought by employers.

REPAY, INC.:

BURKE RESTORATIVE SERVICES: Restorative Services is a program designed to allow youth the opportunity to restore the relationship with the community through supervised community service activities and restitution to the victim.

JUST GIRLS: The Just Girls program provides a safe, gender specific, group counseling environment where at risk girls can learn self-esteem, build positive relationships with peers, adults, and the community. The goals of the program are to increase self-management and awareness, positive bonding and relationship skills, and reduce risk behaviors.

GENERAL COUNSELING: This component offers general counseling for uninsured or underinsured youth if referred by juvenile justice.

PSYCHOLOGICAL SERVICES: This component provides comprehensive psychological and diagnostic assessments for court involved youth as well as CCAs (Comprehensive Clinical Assessments) in order to provide risk data and treatment recommendations.

R.I.S.E.: The R.I.S.E. program provides a safe, gender specific, group counseling environment where at risk boys can learn self-esteem, emotional regulation, build positive relationships with peers, adults, and the community. The goals of the program are to increase self management and awareness, positive bonding and relationship skills, and reduce risk behaviors.

SEX OFFENDER EVALUATION AND ASSESSMENT: Sex offender specific evaluation and assessment for children with sexually reactive behavior, youth displaying sexually aggressive behavior or who have been charged with a sex offense in order to evaluate risk and make treatment recommendations.

SEX OFFENDER TREATMENT: Sex offender specific treatment for children and youth displaying sexually aggressive behavior, inappropriate sexual conduct or who have been charged with a sex offense. The treatment balances accountability, rehabilitation and community safety.
