STATEMENT OF CONSISTENCY AND REASONABLENESS WITH ADOPTED PLANS AND POLICIES OF THE CITY OF BREVARD
REZ-23-005

NCGS 160D-604 requires that the Planning Board shall advise and comment on whether the proposed amendment is consistent with any comprehensive plan prior to consideration by the Governing Board. The Planning Board shall provide a written recommendation to the Governing Board that addresses plan consistency and other matters as deemed appropriate by the Planning Board, but a comment by the Planning Board that a proposed amendment is inconsistent with the Comprehensive Plan shall not preclude consideration or approval of the proposed amendment by the Governing Board.

The Brevard Planning Board forwards this recommendation to City Council with a finding that the proposed zoning map amendment is **consistent** with the following elements of the City's adopted plans and policies:

Comprehensive Land Use Plan

Recommendation Land Use & Housing – 7*:* Consider the development of a form-based code for Downtown that supports a human-scaled, pedestrian-friendly environment.

- Areas in the greater City Center area (areas outside of the current DDOD) should also have defined maximum allowable setbacks and/or build-to lines.

NCGS 160D-605 requires the Governing Board to approve a statement analyzing the reasonableness of a proposed rezoning. The statement of reasonableness and the statement of consistency may be approved as a single statement.

The Brevard Planning Board forwards this recommendation to City Council with a finding that the proposed zoning map amendment is in the public interested and **reasonable** due to the following factors:

- The expansion of the Downtown Development Overlay District will help to ensure that as downtown is redeveloped and expands the design of the built environment will maintain a pedestrian-oriented character.
- The Plan is consistent with the above element of the Comprehensive Land Use Plan.
