Public Works Department
Monthly Report
January 2025

Brush Pick Up

At this time, Public Works has suspended brush collection in lieu of Henderson County has contracted storm debris removal from Hurricane Helene.

Public Works has collected 108 Christmas Trees.

Vehicles

We are still performing maintenance on Town vehicles. Our new brush truck has arrived. It has been lettered. We are waiting on the title. Once we have the title, we will purchase the tag and the truck will be ready to go to work!

Sanitation

Garbage collection has returned to normal at this time.

Bill Moore Community Park

Public Works is removing the rest of the remaining damaged fencing at the ball fields and multi-purpose courts. This will conclude our work at the park at this time.

Monthly Update— January, 2025
Planning & Zoning

Planning Board/ZBA – The meeting for January was postponed due to inclement weather. The Feb. 18 meeting will include the initial discussion on possible amendments to the Town's floodplain development regulations.

- Continued day to day issuance of permits, fielded inquiries about potential new developments, and responded to miscellaneous complaints (various complaints involving zoning, solid waste, and/or junked vehicles.

- Continued work on implementation of various minimum measures related to the Town's MS4 Stormwater Permit. Continued discussions and work with Mary Roderick from LOS and Chris Brown from McGill on various aspects of the program. Submitted the 2024 annual self assessment to the State.

- Have been continuing work with owners of properties affected by Helene. Two permits have been issued for compliant replacement manufactured homes on Walkway Path and Jackson Road. More discussions occurring w/ other parties on several other properties. There are a few properties we have not yet heard from that we will do additional notification to in Feb. or early March, as FEMA expects the Town to treat "substantially damaged" structures as non-compliant, and thus commence enforcement procedures if we do not hear from the owners.

- Attended (virtually) the Jan. 9 meeting of TCC (advisory board to the MPO).

- Participated in meeting with Town Manager, and a party possibly interested in workforce housing in the future Town Center area.

Re: January 2025 Monthly Report

Training & Professional Development:

- Officer Wolfe was awarded the Advanced Certificate from the North Carolina Department of Justice. The Advanced Certificate is awarded to officers who meet the combined requirements of years of law enforcement service, formal education, and training hours. Officer Wolfe has seven years of police experience, holds a bachelor's degree in criminal justice, and has received in excess of 600 supplemental hours of training.
- Officer Wolfe and Detective Beauchamp attended the Intoxilyzer Recertification course which allows them the continued ability to process DWI arrests.
- Officer Interlicchia and Detective Beauchamp attended a 2-day Basic Narcotics Course.
- Sergeant Kilby attended the first week of the Law Enforcement Leadership Academy hosted by AB-Tech. The class meets every month for the next several months.
- Captain Gutierrez attended the North Carolina Association of Chiefs of Police Conference in Cherokee.
- The department hosted FBI LEEDA's weeklong Media and Public Relations training. Captain Fulmer and Gutierrez both attended the course along with students from multiple states.

We had a total of 440 calls for service for the month of January. This does not include 1239 extra security checks. Sixty-three incident reports were filed. Fifteen of these incidents required some type of investigative follow-up to be conducted. Forty-two citations were issued for a total of 52 charges. Nineteen auto accidents were reported and 32 arrests made.

Activities of interest for the month of January include:

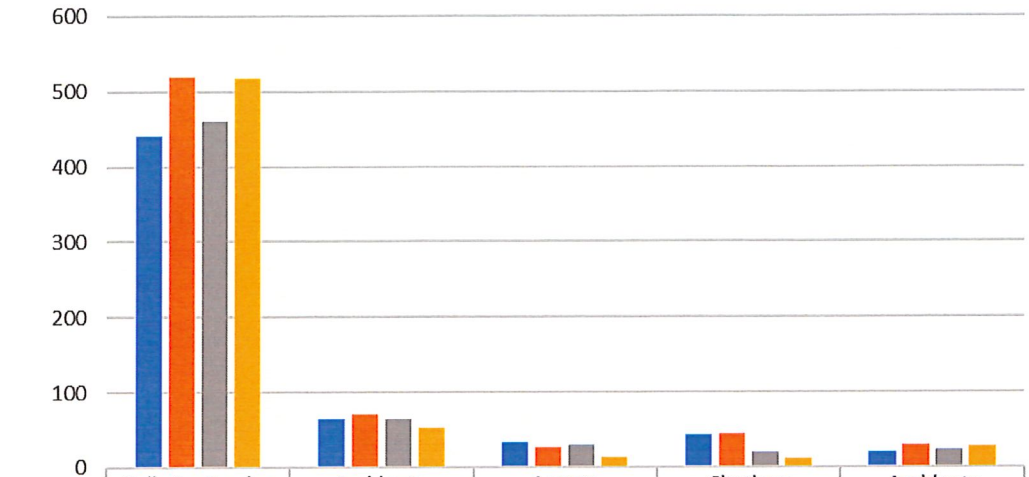

- The department has reported on the last two monthly reports, an increase in calls for service and noted disorderly type calls in the area of the Super 8 Hotel. The department continues to monitor the activity there. During the month of January two search warrants were conducted. The department assisted the Department of Adult Corrections (probation) with a search, and the US Marshall's Service in locating a fugitive at the hotel. In addition, six drug arrests were made, one additional warrant arrest, and one assault arrest. Several rooms have since been vacated signaling the potential for improvement.
- During the month, 10 persons were arrested on warrants, 8 charged with methamphetamine, 7 with fentanyl, 4 with cocaine, and 11 others for misdemeanor type drug offenses. Four DWI arrest were made. Several offenders were charged with multiple offenses therefore these charges are greater than the amount of arrests reported above.
- The department received an anonymous report reference the sexual exploitation of a minor. Officers responded finding a minor on the premises of an adult. An investigation was initiated and concluded with warrants being taken out against the offender for various sex related crimes, to include Statutory Rape of a Child, Statutory Sexual Offense of a Child, and First Degree Sexual Exploitation of a Child.
- Community engagement activities for the month of January consisted of the department's presentation at the Henderson County Vision class hosted this month in Fletcher, attendance at an Intimate Partner Violence Task Force meeting, attendance at a county wide CID meeting, and participation in Henderson County Emergency Management's Hurricane Helene After Action Review.

Respectfully Submitted,

Chief Dan Terry
