Discussion Items

Approval of the lowest responsible bidder for bridge and streambank repairs at Bill Moore Community Park - Mark Biberdorf, Town Manager

Town Manager Mark Biberdorf stated that we had our bid opening on June 10th, and we received three bids. McGill Associates coordinated the bid opening and the high bid was $852,000 down to a low bid of $354,000. We had a middle bid of $605,000. There was a lot of uncertainty about access to the bridge and getting materials in there. We had to do a scope of work for FEMA on this. The low bid is from a qualified licensed firm. Bradley & Connor had the lowest bid of $354,000. McGill is comfortable recommending them as the lowest responsible bidder. If the council is comfortable, we ask that you approve this. Once you approve this, we will get a contract signed within 90 days and have a pre-construction meeting.
