We're considering holding our next summer concert on **Friday, August 16th** at the **Auction House** instead of **Bill Moore Community Park**. The band **Showboat** is scheduled to perform from **6:00 PM to 8:00 PM**.

Below is a breakdown of the pros and cons for each location:

Bill Moore Community Park
Pros:

- Familiar location (where concerts have been held in the past)
- Outdoor setting with grassy areas for guests

Cons:

- Requires food & drink vendors (food truck coordination)
- Additional staff needed for stage and tent setup
- Guests must bring their own seating
- Risk of guests bringing in outside alcohol
- The event space is subject to full sun or rain with no covering for guest

---

Auction House
Pros:

- Pre-set location (with stage)
- Food and drink available onsite at no extra cost to the Town
- Auction House provides full staff for the event
- Each picnic table has an umbrella for shade
- Offer shuttle service again to the Auction House from Town Hall

Cons:

- Potential parking limitations
- No rain backup plan because they are booked out for concerts
