NC Beaver Management Assistance Program

- $6,000 Participation Fee.
- NCWRC contributes $385,000 per year.
- Estimate 58 participating counties in FY 26-27.
- $385,000 divided by 58 participating counties = $6,638 per county.

- Initial consultation is free to landowners / customers.
- Landowner cost is $25 per visit and $150 per large dam removed.
- Burke County averages 6 visits to complete a job.
- First come / first serve, with DOT being priority.
- Typical jobs takes less than 30 days to resolve.

Burke County FY 25-26

- 4 jobs completed.
- 17 visits to remove beavers and dams.
- $11,308 in resources saved (corn field, ponds, standing timber).
- Currently monitoring 5 private and 3 DOT sites.
- 8 sites destroyed by Hurricane Helene.
- This FY is slower than average in areas west of I-77, but we are starting to see increases in surrounding counties.
