Yes ✓ No If yes please explain disposition.

During my teenage years and early twenties, I struggled with a drug and alcohol addiction that went beyond experimentation. Unfortunately, this resulted in possession of a controlled substance (marijuana), possession of paraphernalia, and consumption/possession of alcohol convictions on my record from where I am originally from along the coast of North Carolina.

2. Planning Board

3. Parks and Recreation Advisory Board

What do you feel are your qualifications for serving on the board requested?

My experience in local government has given me the opportunity to present and work with members on similar boards in different jurisdictions. I have presented and acted as a clerk to similar citizen boards in Henderson County, NC, Baltimore County, MD, and currently for Buncombe County, NC. I received my MPA from Appalachian State in 2017 and have been working in local government development since I graduated. I obtained my CZO (Certified Zoning Official) in 2020, as well as, my unmanned aircraft license, and am testing for my CFM (Certified Floodplain Manager) at the end of August. I am also an active non-provisional broker licensed by the NC Real Estate Commission (License # 311470). I have witnessed countless members sacrifice their time to ensure the community develops in compliance with codes, comp plans, and ideals. I would be honored to have the same privilege in shaping my own community.
