What would you like to gain from attending Citizen's Academy?	In my role with Burke Development, I regularly work with county staff and local industries, so understanding county government is an important part of my job. I hope to gain a better understanding of how the county's departments operate, how decisions are made, and how the different areas of county government work together. I believe this knowledge will help me become a more effective partner in my current role while also giving me a greater appreciation for the services the county provides to residents and businesses.
