Please list any relevant experience related to the board/commission you are applying for and any prior (or current) civic involvement.

I grew up in downtown Charleston, SC and have been aware of issues of historic buildings regarding preservation, accessibility, and balancing tourism and residential life. I believe in the importance of historic buildings, streets, walkways, monuments, and parks to add to the unique personality of a place and the protections they sometimes need. I have no experience in a civic committee but was involved with the initial talks in the revitalization of Old Fort, coordinated an adult education program at The NC Arboretum which developed a residential sustainable gardening certificate, and worked for several years with the Eastern Band of Cherokee Indians in cultural and environmental preservation. I hope that my experience and background would add something to the committee and my community.

Why do you wish to serve (or continue serving) the Town in this capacity as a Board or Commission member?

I would like to be involved in and contribute to my community.
