Confirmation of Eligibility/Permissible use of Funds: The Grantee confirms: (1) that the Internal Revenue Service has determined that the Grantee is an organization described in Section 501(c) (3) of the Internal Revenue Code of 1986, as amended, and that such determination has not been revoked, or (2) that the Grantee is a federal, state, or local governmental unit. Grantee agrees to notify Golden LEAF promptly if the Grantee's tax-exempt status is revoked or modified in any

way. The Grantee agrees that it will use the funds from this grant only for charitable, educational, or scientific purposes within the meaning of Section 501(c)(3) of the Code, and that it will not use the funds from this grant in any way that would result in or give rise to private inurement or impermissible private benefit. The Grantee agrees that no funds from this grant will be used to carry on propaganda or otherwise to attempt to influence legislation, to influence the outcome of any public election, or to carry on directly or indirectly any voter registration drive. If grant funds are used to pay for sales tax for which the Grantee receives a refund, Grantee will use the refund for expenses that are consistent with the purpose of the grant and permissible under this Agreement. Unless otherwise agreed by Golden LEAF in writing, no portion of the Grantee's rights or obligations under this Agreement may be transferred or assigned to any other entity.

9. Compliance with laws/liens: The Grantee is in material compliance with all federal, state, county, and local laws, regulations, and orders that are applicable to the Grantee, and the Grantee has timely filed with the proper governmental authorities all statements and reports required by the laws, regulations, and orders to which the Grantee is subject. There is no litigation, claim, action, suit, proceeding or governmental investigation pending against the Grantee, and there is no pending or (to the Grantee's knowledge) threatened litigation, claim, action, suit, proceeding or governmental investigation against the Grantee that could reasonably be expected to have a material adverse effect upon the Grantee's ability to carry out this grant in accordance with its terms. The Grantee has timely paid all judgments, claims, and federal, state, and local taxes payable by the Grantee the non- payment of which might result in a lien on any of the Grantee's assets or might otherwise adversely affect the Grantee's ability to carry out this grant in accordance with its terms.

10. Conflict of interest: In connection with the project funded by Golden LEAF, no employee, officer, director, volunteer, or agent of the Grantee shall engage in any activity that involves a conflict of interest or that would appear to a reasonable person to involve a conflict of interest. Without limiting the foregoing principle, except as described below, in connection with implementation of the project funded by Golden LEAF, Grantee shall not procure goods or services from any Interested Person or from any individual or entity with which any Interested Person has a financial interest or from any family member of an Interested Person, nor shall Grantee use Golden LEAF grant funds to provide goods, services, or compensation (other than customary and reasonable wages and benefits) to any Interested Person or to any family member of an Interested Person. "Interested Person" includes officers and directors of the Grantee, and employees of the Grantee with authority to procure goods or services for the Grantee related to the project funded by Golden LEAF. For purposes of this section, family members shall include: (1) spouse, (2) ancestor, (3) brother, (4) half-brother, (5) sister, (6) half-sister, (7) child (whether by birth or by adoption), (8) grandchild, (9) great grandchild, or (10) spouse of brother, half-brother, sister, half-sister, child, grandchild, or great grandchild. An Interested Person has a financial interest if the Interested Person has, directly or indirectly, through business, investment, or family: a) an ownership or investment interest in any entity with which the Grantee has a transaction or arrangement; b) a compensation arrangement with the Grantee or with any entity or individual with which the Grantee has a transaction or arrangement; or c) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Grantee is negotiating a transaction or arrangement. Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial. An Interested Person must inform the Grantee of the Interested Person's financial interest upon becoming aware that the Grantee is considering procuring goods or services from any individual or entity with which any Interested Person has a financial interest. The foregoing notwithstanding, if after exercising due diligence, the governing board or committee of the Grantee determines that the Grantee is not reasonably able to secure a more advantageous transaction or arrangement from an individual or entity with which an Interested Person does not have a financial interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Grantee's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination the Grantee shall make its decision as to whether to enter into the transaction or arrangement and shall keep written records of the meeting at which that decision was made. The Grantee shall inform all Interested Persons of the requirements set forth in this section. If the requirements set forth in this section conflict with any statute or regulation applicable to the Grantee, the statute or regulation shall control. If the Grantee has a conflicts of interest policy or similar policy that provides more stringent restrictions and protections than those in this section, the Grantee may comply with its policy rather than the policy contained herein. The Grantee may request that the President of the Foundation approve a conflict of interest policy that varies from the requirements of this section. This section does not alter the requirement that Grantee may not use the funds from this grant in any way that would result in or give rise to private inurement or impermissible private benefit.

11. Procurement/Disposition: All goods or services acquired using Golden LEAF grant funds must be reasonably necessary to implement the project funded. All procurement transactions involving the use of Golden LEAF grant funds will be

conducted to provide, to the extent possible and reasonable, free and open competition among suppliers. The Grantee should use reasonable efforts to procure goods and services from local businesses, small businesses, minority-owned firms, and women's business enterprises. The Grantee will seek competitive offers where possible and reasonable to obtain the best possible quality at the best possible price. Some form of cost or price analysis shall be made and documented in connection with every individual procurement in excess of $1,000.00. Price analysis may be accomplished in various ways, including the comparison of price quotations or market prices, including discounts. For any single procurement of $100,000.00 or more, Grantee will use a competitive bid process that is designed to attract a reasonable number of responsive bidders. The requirements of the bid process may vary depending on the value of the procurement. When evaluating bids received, the Grantee is not required to take the lowest price if other factors are reasonably important to the Grantee; however, the bases for evaluation and selection should be listed in the procurement documents and there should be an objective method for the decision made by the Grantee. The decision should be documented in writing. If the Grantee is subject to statutory or regulatory procurement requirements, those requirements supersede this section. The Grantee may request that the President of Golden LEAF approve the Grantee's use of a procurement policy that varies from the requirements of this section. If equipment purchased by the Grantee using Golden LEAF funds is no longer needed or used for the project funded, the Grantee may donate the equipment to a North Carolina governmental entity or a North Carolina organization recognized as an organization described under Section 501(c)(3) of the Internal Revenue Code. In making such a donation, the Grantee must comply with statutory or regulatory requirements that apply to the Grantee, must use reasonable efforts to ensure that the equipment is used for purposes consistent with this grant, and must document and retain records evidencing the donation in accordance with the terms and condition of this Agreement.

12. Project and budget modification: The Grantee will immediately notify Golden LEAF of anything that may materially affect the Grantee's ability to perform the project funded. **If the Grantee proposes to modify the budget, the objectives, or any other feature of the project funded, the Grantee shall not encumber or expend any funds from this grant for such purposes unless and until Golden LEAF has approved such proposed modifications in writing.** Moreover, no further payments shall be made to the Grantee in connection with the project funded unless and until Golden LEAF has approved such proposed modifications in writing, which may be a communication sent through Golden LEAF's grants management system to the Grantee.

13. Use of grant funds/rescission and termination of grants: The Grantee accepts and will retain full control of the disposition of funds awarded to the Grantee by Golden LEAF under this grant and accepts and will retain full responsibility for compliance with the terms and conditions of the grant. Grant funds shall be utilized exclusively for the purposes set forth above. If the Grantee breaches any of the covenants or agreements contained in this Agreement, uses grant funds for purposes other than those set out above, or any of the representations and warranties made by the Grantee are untrue as to a material fact, the Grantee agrees to repay to Golden LEAF the full amount of this grant. Any condition, purpose, term or provision in Golden LEAF's resolution approving funding, in this Agreement, or in the budget or other forms approved by Golden LEAF shall take precedence over any conflicting provision in the Grantee's application. Grantee shall not use grant funds for any purpose not included in the Grantee's application for funding unless specifically approved by Golden LEAF. If there is a conflict between the purpose of the grant and use of grant funds described in this Agreement and the Grantee's application for funding, this Agreement will control.

14. The Grantee acknowledges receipt of Golden LEAF's policy regarding termination and rescission of grants, which policy is incorporated in this Agreement by reference and is intended to supplement but not replace or limit the rights and remedies of Golden LEAF set forth elsewhere in this Agreement. The Grantee acknowledges that Golden LEAF may, from time to time, amend its policy regarding termination and rescission of grants, and the Grantee acknowledges that the Grantee will be subject to the policy as amended.

15. Release of Funds: Unless otherwise agreed by Golden LEAF, up to twenty percent (20%) of funds may be released in advance after all conditions on the release of funds are satisfied. Funds may be released in additional advances of up to twenty percent (20%) of the grant amount upon receipt of evidence satisfactory to Golden LEAF that funds previously released have been properly expended and accounted for. Funds may also be released on a reimbursement basis, in which case payments may be made in an amount equal to or up to eighty percent (80%) of the grant amount upon receipt of evidence satisfactory to Golden LEAF that funds have been properly expended and accounted for. Unless otherwise approved by the President of Golden LEAF, a sum equal to twenty percent (20%) of the total amount of the grant will be retained by Golden LEAF until the Grantee completes its obligations under this grant, including submission of a satisfactory final report on the project funded. This final twenty percent (20%) retained by Golden LEAF shall be paid to the Grantee on a reimbursement basis. If the grant is conditional or contingent, all conditions and contingencies must be

met before any payment will be made. Each request for payment shall be submitted through Golden LEAF"s online grants management system in accordance with instruction provided by Golden LEAF, unless otherwise directed by Golden LEAF. Payment should not be requested until the Grantee has need for actual expenditures of the funds. The Grantee should request payment at least thirty (30) days prior to its desired payment date.

16. Reporting: The Grantee agrees to submit a progress report to Golden LEAF twice each year, to be received by Golden LEAF six months from the date of award and every six months thereafter unless some other schedule is approved by Golden LEAF. The Grantee agrees to submit a final Progress Report for receipt by Golden LEAF within sixty (60) days after the completion of all obligations for the project funded or the end date, whichever comes first. The Grantee may be required to report results and accomplishments to Golden LEAF for a period beyond the grant term that is reasonably necessary to evaluate the outcomes of the grant. Report forms may be found on Golden LEAF's website, www.goldenleaf.org.The Grantee will submit reports through Golden LEAF's online grants management system following in accordance with instructions provided by Golden LEAF, unless otherwise directed by Golden LEAF. The Grantee will furnish additional or further reports if requested by Golden LEAF on forms and following in accordance with processes prescribed by Golden LEAF.

17. Records: The Grantee agrees to maintain full, accurate and verifiable financial records, supporting documents, and all other pertinent data for the project funded in such a manner so as to identify and document clearly the activities and outcomes of the project funded and the expenditure of Golden LEAF grant funds. Financial records regarding Golden LEAF's grant shall be maintained in such a way that they can be reported separately from monetary contributions, or other revenue sources of the Grantee. The Grantee agrees to retain all financial and programmatic records, supporting documents, and all other pertinent records related to the project funded for a period of five (5) years from the end of the grant term. In the event such records are audited, all project records shall be retained beyond such five-year period until all audit findings have been resolved. The Grantee shall provide to Golden LEAF copies of all financial and other records requested by Golden LEAF and shall make available to Golden LEAF, or Golden LEAF's designated representative, all of the Grantee's records that relate to the grant, and shall allow Golden LEAF or Golden LEAF's representative to audit, examine and copy any data, documents, proceedings, records and notes of activity relating to the grant. Access to these records shall be allowed upon request at any time during normal business hours and as often as Golden LEAF or its representative may deem necessary. The Grantee may be subject to audit by the State Auditor.

18. This Section 18 is applicable if the following blank is marked: _____ Staff Initials & date:_____

    Intellectual property/new developments: In consideration of its receipt of funds granted by Golden LEAF, the Grantee agrees that during the course of the project funded by the grant, the Grantee, and any recipient of grant funds, will promptly disclose to Golden LEAF any improvements, inventions, developments, discoveries, innovations, systems, techniques, ideas, processes, programs, and other things, whether patentable or unpatentable, that result from any work performed by or for the Grantee in connection with the project funded, or by individuals whose work is funded by the grant (the "New Developments"). If the Grantee provides to Golden LEAF a copy of any Invention Disclosure Reports it receives from Grantee employees that report making inventions under this Agreement, then the Grantee will be deemed to have satisfied the disclosure requirement in the preceding sentence.

    The Grantee agrees that it, and any recipient of grant funds, shall take all reasonably appropriate actions to assure that the New Developments shall be and remain the sole and exclusive property of the Grantee. In the event that the interests of the public would be served by commercialization of the New Developments, the Grantee agrees to use its best reasonable efforts to pursue the commercialization of any such New Developments in a manner that will serve the interests of the public, including but not limited to the transfer, assignment or licensing of such New Developments; provided, however, that the Grantee, and any recipient of grant funds, shall not transfer, assign or license such New Developments in part or in whole without first having obtained the written consent of Golden LEAF.

    Any revenue generated as a result of transferring, assigning, or licensing New Developments will be managed by the Grantee in accordance with its published patent, copyright and technology transfer procedures, if any, and in the absence of such procedures such revenue will be managed by the Grantee in accordance with procedures approved by Golden LEAF. Such procedures typically will prioritize the distribution of revenues to insure that the Grantee first honors its obligation to its inventors and then to cover its own out-of-pocket expenses as necessary to protect its intellectual property.

    The Grantee and Golden LEAF further agree that should there be any revenue generated greater than that necessary to

meet the obligations of the preceding paragraph ("Net Revenue"), the Net Revenue shall be managed by the Grantee as follows:

a) 15% of the Net Revenue will be retained by the Grantee as a fee for the management and distribution of funds as required under this Agreement.
b) 30% of the remaining Net Revenue will be paid to Golden LEAF.
c) 70% of the remaining Net Revenue will be retained by the Grantee and used in accordance with the procedures referenced in the preceding paragraph above.

The Grantee's obligations pursuant to this Section will continue beyond the expiration of the funding period.

It shall provide workers compensation insurance to the extent required for its operations and shall accept full responsibility for payments of unemployment compensation, social security, income taxes and any other charges, taxes or payroll deductions required by law in connection with its operations, for itself and its employees. All expenses incurred by the Grantee are the sole responsibility of the Grantee, and Golden LEAF shall not be liable for the payment of any obligations incurred in the performance of the project funded.

20. Non-discrimination: The Grantee shall not discriminate by reason of age, race, ethnicity, religion, color, sex, parental status, national origin, genetic information, political affiliation, protected veteran status, or disability, or any other legally protected status, in connection with the activities of a project funded by Golden LEAF.
