BOND NO. BX0035701

Effective Date: 08/14/2023

Subdivision Performance Bond
Site Improvements

KNOW ALL PERSONS BY THESE PRESENTS that we, Jackson Family Developers LLC, as Principal, and Jet Insurance Company, a corporation organized and doing business under the laws of the state of North Carolina and duly licensed to conduct a general surety business in the state of NC, as Surety, are held and firmly bound unto Town of Fletcher, as Obligee, in the sum of Two Hundred Fourteen Thousand Seven ($ $214,700.00) dollars, for which payment, well and truly to be made, we bind ourselves, our heirs, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a development agreement (the "Agreement") with said Obligee relating to a subdivision identified as: Heritage Park.

NOW, THEREFORE, the condition of this obligation is such that if the Principal shall well and truly perform said Agreement during the original term thereof, or of any extension of said term that may be granted by the Obligee in writing and consented to in writing by the Surety, then this obligation shall be void, otherwise it shall remain in full force and effect. This obligation is subject to the following conditions:

1. This bond runs to the benefit of the named Obligee(s) only, and no other person or entity shall have any rights under this bond.
2. No claim shall be allowed against this bond after the expiration of one year from the completion date set forth in the Agreement, or one year from the end of the latest extension of time consented to in writing by the Surety, whichever occurs last. If the limitation set forth in this bond is void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
3. In the event of a default by the Principal and the receipt by Surety of timely written notice of a claim, the Surety shall be liable to reimburse the Obligee for damages sustained by the Obligee as a result of Principal's default of its bonded obligation. It is understood and agreed that this bond shall not be construed as a penalty or as a forfeiture obligation, but rather reimburses the Obligee for actual losses incurred.
4. This bond covers installation of site improvements, and does not cover on-going maintenance of completed site improvements. This bond will not respond to any liability that arises from design defects or efficiency guarantees.
5. In no event shall the Surety's aggregate liability hereunder exceed the dollar amount of this bond set forth above.

IN WITNESS WHEREOF, the signature of said Principal is hereto affixed, and the corporate seal and the name of the Surety is hereto affixed by its duly authorized Attorney-in-Fact this 18th day of August, 2023.
