What would you like to gain from attending Citizen's Academy?	I currently work for the City of Morganton in the Parks and Recreation office and I would like to learn more about how local government operates. I signed up to attend Morganton Public Safety's Citizen's Academy this fall, but unfortunately there weren't enough participants to have the class. I had wanted to attend Burke County's class as well, so I am applying to see if you have room is this fall's session.
