Public Works Department
Monthly Report
June 2025

Brush Pick Up

Public Works has resumed brush collection. Public Works is currently hauling the brush to our facility where contractors for FEMA are collecting it. For the month of June, Public Works collected 316 brush orders which produced 720 Cyds of brush.
We are still collecting about 80% of our brush from the remnants of Hurricane Helene.

.

Vehicles

Maintenance was performed on 7 police cars, 2 Public Works Vehicles and 2 P&R vehicles.

Sanitation

For the month of June, Public Works collected 179.12 tons of garbage for a daily average of 8.53 tons.

Streets

Public Works will have a contractor do pavement repairs to Wildwood Circle after the 1st of July.

Monthly Update— June, 2025
Planning & Zoning

Planning Board/ZBA – The Board did not meet in June... Applicants for the District 4 vacancy will be present at the July 7 agenda meeting for introductions and questions, with Council making their appointment at the July 14 regular meeting.

- Continued day to day issuance of permits, fielded inquiries about potential new developments, and responded to miscellaneous complaints (various complaints involving zoning, solid waste, and/or junked vehicles.

- Continued work on implementation of various minimum measures related to the Town's MS4 Stormwater Permit. Continued discussions and work with Mary Roderick from LOS and Chris Brown from McGill on various aspects of the program.

- Attended the June 12 meeting of TCC (advisory board to the FBRMPO)

- Have been continuing to monitor properties with substantially damaged structures from Helene. I had another visit from FEMA on June 4 as they are continuing to closely monitor the local programs. Still awaiting action on several locations

- Participated in a meeting with Town Manager and a group out of Atlanta that inquired about the Town Center properties.

- Continued work with McGill Assoc. on pending items related to floodplain ordinance amendments. McGill incorporated several minor changes into the draft following guidance from NCEM. Council held public hearing in June and approved the draft amendments.

- Attended the June 11 (virtual) meeting of the Asheville Regional Housing Consortium.

- Met with Rebekah Robinson from Conserving Carolina to review current efforts on extension of the Cane Creek Greenway. We are awaiting word on the 2nd grant application which was originally supposed to be announced in March, but was delayed until June 30. (Will update council and manager as soon as we hear)... If we learn that this grant will be awarded, we will be back to Council in August or September to discuss the match requirements and determine next steps.

Fletcher Parks and Recreation Department
Monthly Report – June 2025

Programs

First Summer Concert

We held our first Summer Concert at the Auction House in Fletcher on June 7th, and the event was a great success! The band played from 6:00–8:00 PM, and every seat was filled as guests brought their own lawn chairs and enjoyed the live music. The Auction House team was a pleasure to work with and has already invited us back for our August concert.

Fletcher Farmers Market

The Fletcher Farmers Market has officially moved to Bill Moore Community Park and now takes place every Tuesday from 3:00 to 6:00 PM. Both vendors and shoppers are enjoying the new location, and we've been receiving new applications weekly since the move.

Attendance has remained steady, and the market continues to feature a diverse mix of vendors offering fresh produce, baked goods, handmade crafts, and more. Community feedback has been overwhelmingly positive, and we're excited to see the market continue to grow throughout the season.

Summer Day Camp & Middle School Adventure Camp

We're already in Week 5 of Summer Camp, and both campers and staff are having a blast! Some camp favorites so far include visits to Ellaberry Llama Farm and rock-climbing adventures in Brevard. With the hot weather, everyone especially enjoyed cooling off with swim days at Cane Creek Community Pool.

We're looking forward to having even more fun in the weeks ahead!

Facilities & Maintenance

Bill Moore Community Park

Our maintenance team is in full swing with the mowing season and has done an excellent job keeping the park clean and welcoming.

Fence & Multi-Court Repairs

Patton Construction will be conducting the final walk-through next week for the fence and multi-court repairs. We're excited to see this project nearing completion and appreciate everyone's patience during the process.

Bridge and Greenway Repairs

Bradley and Conner Grading Contractors have been awarded the project for bridge and greenway repairs. Work is scheduled to begin in the upcoming weeks.

FLETCHER POLICE DEPARTMENT
TEAMWORK - PROFESSIONALISM - DEDICATION

DANIEL D. TERRY
CHIEF

MEMORANDUM

To: Mark Biberdorf, Town Manager

From: Chief D. Terry

Date: July 1, 2025

Re: June 2025 Monthly Report

Training & Professional Development:

- We congratulate Sergeant Kilby who graduated from the North Carolina Law Enforcement Leadership Academy. This was a six-month endeavor where he attended class one week a month, for six-months, along with working on various projects during his time away from class.

We had a total of 547 calls for service for the month of June. This does not include 1494 extra security checks. Fifty-two incident reports were filed. Thirty of these incidents required some type of investigative follow-up to be conducted. Thirty-three citations were issued for a total of 45 charges. Twenty-four auto accidents were reported and 11 arrests made.

Activities of interest for the month of June include:

- The Fletcher Police Department welcomed its newest member to the police force. Chandler Floyd graduated from the AB-Tech Basic Law Enforcement Training and was sworn in as a Fletcher Police Officer. We welcome him to the team and look forward to working with him.
- North Carolina Criminal Justice Training & Standards Board conducted an in-person audit on the police department. They examined training records and law enforcement hiring documentation that we are required to maintain by law on all sworn officers. We passed the audit with high marks. Thanks to Captain Gutierrez for his organization and detail in managing employee files and required documentation.
- Officers investigated an apparent drowning at Westphal Park. A 53-year old male was found in the river face down and unresponsive. CPR attempts were unsuccessful and the man was subsequently pronounced dead. This investigation continues pending the results of the autopsy.
- Officers investigated a breaking and entering of a motor vehicle at a local hotel where various tools were stolen from the vehicle. A description of the suspect's vehicle was obtained. This information was searched through the Flock camera system maintained by another agency and a license plate was obtained. The driver was identified and warrants taken out for his arrest.

Email: d.terry@fletchernc.org

- Officers took reports for nine different storage units that were broken into at "Go Store It" on Old Airport Road. A significant amount of property was taken. Suspects have been identified and some of the stolen property recovered and returned to the owners. The investigation continues as officers are working with several other law enforcement agencies that have experienced similar break-ins. Arrests are expected soon and will be reported in next month's report.
- Community engagement activities for the month of June consisted of attendance at the National Insurance Crime Bureau (NICB)'s NC Insurance Crime Information Exchange Meeting. Officers visited the Town of Fletcher's summer camp and attended the bi-weekly Henderson County Investigators meeting.

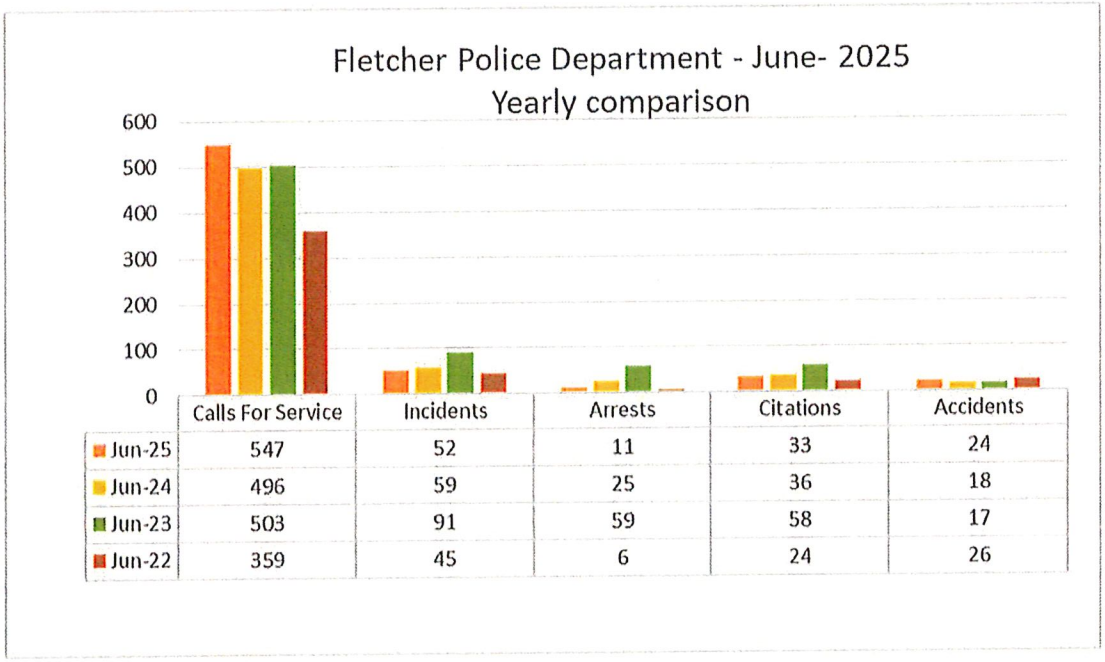

Respectfully Submitted,

Chief Dan Terry
