The Burke County Cooperative Water Board meeting was held on Tuesday, January 20, 2026, at the Town of Rutherford College Townhall. John Leger, President opened the meeting with a prayer.

The group discuss and approved changing the meetings from a **quarterly to a simi-annual** meeting beginning in January 2026. **We will continue to hold our meeting at 9:00 AM on the third Tuesday at the Rutherford College Townhall**. It was stated that these meetings are beneficial enough to continue. However, it might be better attended if we held these meetings **Twice a year**, (one in the spring, and one in the fall). We would like to be able to share more information among the various members.

The group present conducted a "Round Table" time of sharing conditions of their businesses and matter of interest.

The next Burke County Water Board meeting (Spring 2026) will be held on Tuesday, April 21, 2925, at 9:00 AM in the Town of Rutherford College Town Hall. The (2026 Fall) Meeting will be held on October 20, 2026, at the same location.

Finally, if you NO longer want to participate and receive correspondence for this organization, please let me know and I will remove your name from distribution.
