5307 FUNDING OVERVIEW

Funding for urban area transit and which can support:

- Planning

Funding allocations are divided from the annual apportionment:

- Buncombe County 32%
- City of Asheville 47%

Buncombe County's Mountain Mobility operates in the urban area but also in the rural area. Section 5307 funds can only support transit activities in urban areas. Section 5307 eligible activities are, as a result, a relatively small portion of Mountain Mobility operations and a relatively limited portion of eligible activity and expenses.

- Allocations > Eligible Operating Expenses
  - Allocations Currently >$1M Annually
  - Eligible Operating Expenses Currently ≈ $500K Annually

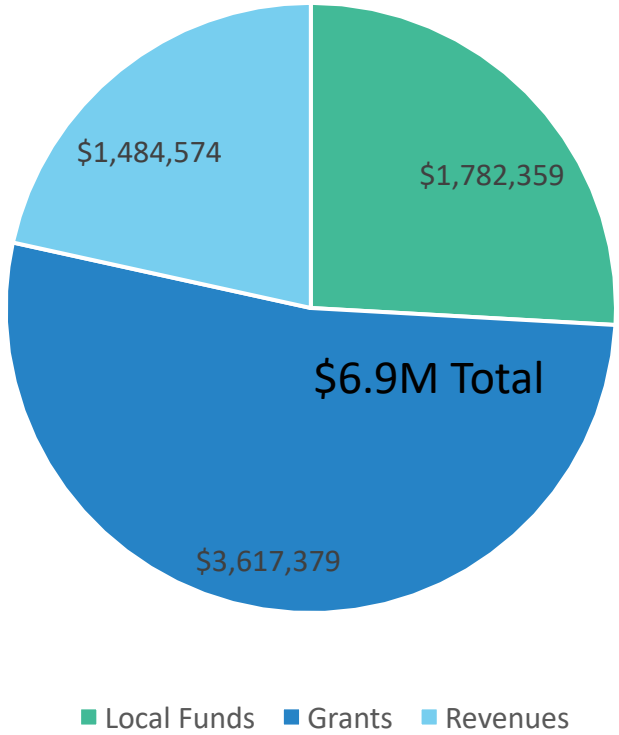

- Allocation amount increases > Eligible Operating Expenses amount increases

TRANSIT BUDGET COMPARISON

Asheville Transit Budget - FY26

Buncombe County Transit Budget - FY26

City of Asheville has the capacity to absorb Section 5307 funding to offset local budget commitment.

Buncombe County is, at present, fully leveraging urban transit grant funding given other grants received.

  - Do not apply for FY2026 5310 funding (Complete);
  - Evaluating WE2 Route changes to improve safer connection to Buncombe County's Enka-Candler Trailblazer Route (Complete); and

FY2027 RESCISSION CONSIDERATION

- Consider rescinding funds to the City to prevent return of funds to FTA
- Rescission conditions should include:
  - The City not requesting additional funds for the continued operation of the New Leicester Highway Extension & Route 170 in FY2027;
  - The City not requesting additional funds for any expansion of service recommended by its recent transit study in FY2027;
  - The City not applying for Section 5310 Traditional funds for FY2027 so that Buncombe County can compete for a larger share of funds that directly support County transportation for older adults and individuals with disabilities; and
  - The City coordinating any service modifications to the New Leicester Highway Extension, Route 170, as well as City routes that provide a direct connection and transfer to any Buncombe County Mountain Mobility Trailblazer route.
- The Board may also consider any conditions that advance transit and transportation with the City of Asheville and Buncombe County.
