Re: Recommendation for Reappointment of Hannah Romero to the Blue Ridge Community Action, Inc. Board of Directors

Dear Members of the Caldwell County Board of Commissioners:

On behalf of Blue Ridge Community Action, Inc. (BRCA), I am pleased to recommend Hannah Romero, Executive Director of Caldwell County Smart Start, for reappointment to the BRCA Board of Directors for a three-year term.

Ms. Romero has been an active and engaged member of our Board, and her continued service is important to the strength and effectiveness of our organization. Active participation from Board members is essential to BRCA's success, particularly as we work to address the evolving needs of low-income individuals and families throughout our service area. Ms. Romero has consistently demonstrated a commitment to this responsibility through her participation and support of the agency's mission.

BRCA greatly values Ms. Romero's service, commitment, and willingness to remain actively involved in the governance of our organization.

For these reasons, we respectfully request that the Caldwell County Board of Commissioners reappoint Hannah Romero to the Blue Ridge Community Action, Inc. Board of Directors for a three-year term.

Thank you for your consideration and for the continued partnership and support of Caldwell County. Please feel free to contact me if additional information is needed.

Sincerely,

Stephanie Ashley
Executive Director
Blue Ridge Community Action, Inc.
