Questions from Vendors & Answers from the County – *Last Updated 05/05/2026*

1. In reference to the above-mentioned RFQ, will it be possible to visit the facility before the proposal is due? If not, are there plans or other documents available for review?
   At this time, Burke County is not scheduling individual site visits prior to the proposal deadline. This is to ensure a consistent and fair process for all respondents. However, we do have a copy of the existing floor plan which has been added to the related documents section the bid posting on the county website
