What would you like to gain from attending Citizen's Academy?	Having moved to Burke County within the last year, I'd like to learn as much as I can about the community I now call home and gain a deeper understanding of our county, its government, and the services that support residents. As a newer member of the community, I'm interested in learning about both the opportunities and challenges facing Burke County, how they are being addressed, and the vision county leaders have for our future. I hope to become a more informed and engaged citizen through this experience.
