SUGGESTED REZONING MOTION(S):

Approval:	**Denial:**
I move the Town Council **adopt** an ordinance amending the official zoning map of the Town of Fletcher, changing the zoning designation of the subject property from C-2 Interstate Business District to NBD, Neighborhood Business District finding:	I move the Town Council **deny** an ordinance amending the official zoning map of the Town of Fletcher changing the zoning designation of the subject property from C-2 Interstate Business District to NBD, Neighborhood Business District finding:
1. The petition is found to be inconsistent with the Town of Fletcher Land Use Plan based on the information from the staff analysis and the public hearing, and because: The petition proposes higher-density, multi-family residential outside of the Town Core.	**1. The petition is found to be inconsistent with the Town of Fletcher Land Use Plan based on the information from the staff analysis and the public hearing, and because:** The petition proposes higher-density, multi-family residential outside of the Town Core.
2. However, we find this petition to be reasonable and in the public interest based on the information from the staff analysis, public hearing and because: 1. The proposed development would provide affordable housing in a town and region that are currently experiencing extreme challenges with housing availability and affordability. 2. The proposed development would locate residents; who may or may not have access to personal vehicles in an area with numerous amenities within walking	**2. We do not find this petition to be reasonable and in the public interest based on the information from the staff analysis, public hearing and because:** 1. The Town has already experienced an increase in higher-density, apartment-style development. The Town's intent is to direct higher-density residential development toward the core of Town. 2. The proposed development would remove a commercially zoned property and replace it with a residential use, further reducing the amount of commercially zoned land

distance and within close proximity to an Asheville Transit stop. 3. The proposed density would not be inconsistent with the level of development intensity already present in and around the Airport Road commercial corridor. [DISCUSS & VOTE]	available along the Underwood Road corridor. 3. The proposed development has a higher residential density than the surrounding parcels. [DISCUSS & VOTE]
