Please list any relevant experience related to the board/commission you are applying for and any prior (or current) civic involvement.
I have attended most of the Active Mobility Commission meetings this year and thoroughly enjoyed them. I also regularly oversee projects from braistorm to final product as I've run my own business for the past 10 years.

Why do you wish to serve (or continue serving) the Town in this capacity as a Board or Commission member?
I am fortunate to live in a spot where I can ride my bike or walk to all my town needs, but there are still improvements that can be made for others who want to walk or bike and I think I will have a unique and

knowledgeable perspective to bring to the table during commission meetings.

Experience, Education, Certifications
I graduated with a Bachelor of Fine Arts in Communication Design from Kutztown University of Pennsylvania in 2013.
Before that, I had reached the rank of Eagle Scout at 18
And as of now I have been a woodworker for over 10 years and been running my own business for that same length of time, and I'm a first time home owner her in Black Mountain.
