NEWS FROM YOUR BOARD OF DIRECTORS

December 8, 2025

As you can see our newsletter and our president have changed. Linda McGalliard, who originated the Seniors In Action organization, has moved to New Jersey. We wish her good luck in all her future endeavors.

With 2025 coming to an end, I want to give you an overview of SIA activities for the year. SIA has been busy this year and I hope that you have enjoyed some of our activities:

Our Saturday night sponsored dances this year have been well attended and have helped raise money for contributions to the Senior Center.

We have had three day trips:

- Black Mountain for a wonderful lunch and shopping
- Sullenburger Aviation Museum with lunch at the Open Kitchen with a surprise stop at Tony's ice cream
- Famous Louise's Rock House Restaurant with shopping at the Christmas Shop

Our overnight trips included a trip to:

- Amelia Island/St. Augustine, FL in January
- Niagara Falls & Toronto

With your participation in these and other activities we have been able to contribute the following to the Senior Center facilities: 55" TV, a sound bar and bracket, 150 Pound Home Gym, contributed to the funding for a licensed Tai Chi instructor; relocated bookshelves to the library and bought additional needed furniture,

We plan more trips in the new year as well as fun activities. We are always open to ideas for trips and activities that we seniors can enjoy.

Hoping that you all enjoy a Joyous Holiday Season.

Barbara Huffman, President
