3. NEW BUSINESS

3.A. Consideration of Submission of a Sub-application to FEMA Building Resilient Infrastructure and Communities (BRIC) Grant Program for a Replacement Public Safety Building.

The Town Council will consider a resolution authorizing the submission of a sub-application to the FEMA Building Resilient Infrastructure and Communities (BRIC) FY2024-25 competitive grant program for construction of a new combined fire, police, and EMS facility at a donated state parcel on North Fork Road. The resolution also commits non-federal match funds from identified local sources as required by the grant program.

Matt Begley, Town Recovery and Capital Programs Director, and Clarity Collins, Recovery Project Manager with the Land of Sky Regional Council, presented this item to Council and answered questions. Ms. Collins gave a brief overview of the BRIC program and also explained what the engineers have concluded about the current public safety building as it related to Hurricane Helene damage, noting that the entire building's current state was not caused solely by the storm, rather, the pipe underneath was impacted by the significant rainfall and was in need of replacement, which exasperated the building's structural state. Ms. Collins stated that BRIC's program is to reduce risks from natural hazards, and the Town would be asking FEMA for relocation of the public safety building due to geological issues where the current building is located and that it is deemed a hazard. Ms. Collins emphasized this is a mitigation, not a recovery grant. Further discussion ensued and staff indicated this application submittal is preliminary, and the Town may not even receive it, but it gives the Town options to explore if it is received. Mr. Begley noted that this is the last year for the BRIC program and is a one-time opportunity to pursue these funds for this project. The use of engineering firms was briefly discussed.

Council Member Larry Harris made a motion to authorize staff to submit an application for the FEMA BRIC Grant Program for a replacement Public Safety facility as presented. A vote of 3-0 in favor. Vice Mayor Archie Pertiller was absent.

A RESOLUTION AUTHORIZING TOWN STAFF TO SUBMIT AN APPLICATION FOR THE FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) BUILDING RESILIENT INFRASTRUCTURE AND COMMUNITIES (BRIC) GRANT PROGRAM FOR A REPLACEMENT PUBLIC SAFETY FACILITY

RESOLUTION NO. # R-26-54

WHEREAS, Tropical Storm Helene caused extensive damage to the Town of Black Mountain Public Safety Building; and

WHEREAS, the Town is currently appealing the denial determination from FEMA Public Assistance for the building; and

WHEREAS, even if successful, FEMA PA funding will not cover the majority of funding needed to adequately repair or replace the current facility; and

WHEREAS, the State has donated property on North Fork Road to the Town restricted to public safety uses; and

WHEREAS, the Land of Sky Regional Council has offered to assist the Town of Black Mountain with this application; and

WHEREAS, the BRIC program requires local and State matching funds (25% of total project costs – estimated to be approximately $5M), which the Town intends to be sourced from a combination of the value of the parcel proposed as the intended site, NC OSBM grant funding, future departmental allocations, fund balance in the Helene Recovery Fund, and any other appropriate state funding; and

WHEREAS, the Town Council wishes to pursue a formal application to cover costs associated with engineering, construction, site preparation, and other activities associated with constructing a replacement facility for Town of Black Mountain Public Safety services;

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF BLACK MOUNTAIN:

1. That Land of Sky on behalf of the Town of Black Mountain is authorized to develop and submit a formal application to the FEMA BRIC program for funding a replacement public safety facility.
2. That the Town Manager (or designee) is authorized to execute and file the application, including all assurances and agreements required, on behalf of the Town of Black Mountain.

This Resolution shall take effect immediately upon its adoption.

Approved this the 9th day of July 2026.
