Fletcher Parks & Recreation Department

Monthly Report – July 2026

Programs & Events

Fletcher Community Farmers Market

The Fletcher Community Farmers Market continued every Tuesday throughout July at Bill Moore Community Park. We averaged 10–15 vendors each week offering fresh fruits and vegetables, homemade breads and baked goods, flowers, and locally made crafts. The market continues to be a wonderful community gathering place while supporting our local farmers, artisans, and small businesses.

Summer Concert Series #2

On July 31, we hosted our second Summer Concert of the season featuring Gotcha Groove. The band entertained the crowd with a diverse selection of R&B, soul, funk, classic rock, oldies, beach music, and dance favorites spanning nearly nine decades. Thank you to Hunter Subaru for sponsoring this event and helping make another successful evening in the park possible.

Summer Day Camp

Our 9-week Summer Day Camp is wrapping up its final week. Campers enjoyed an exciting summer filled with field trips, swimming, games, crafts, and outdoor activities. We appreciate the hard work and dedication of our summer camp staff, who did an outstanding job creating a safe, fun, and memorable experience for all participants.

Facilities & Maintenance

Bill Moore Community Park & Kate's Park

Our maintenance team continues to do an outstanding job keeping both parks clean, safe, and welcoming for residents and visitors. Their dedication ensures our facilities remain in excellent condition throughout the busy summer season.

July Maintenance Projects Completed:

- Pressure washed park shelters on a weekly basis.
- Mowed Park grounds five days per week.
- Blew debris from sidewalks, trails, and playground areas.

- Conducted routine playground safety inspections.
- Replaced broken parking bumpers.
- Repainted Park crosswalks.
- Removed storm-damaged trees that had fallen along the back trail.
- Received our new Kubota tractor and Polaris ATV, which will improve the efficiency of park maintenance operations.
- Ordered supplies and prepared facilities for the upcoming fall baseball and softball season.

Planning & Zoning Department Monthly Update- July 2026

- The Planning Board held its regular meeting on July 21 to review and make a recommendation on a Special Use Permit application for Focus Plus Academy. The request was to allow Focus Plus Academy to occupy approximately 700 square feet within Fletcher United Methodist Church for a small middle and high school. The Planning Board unanimously recommended approval of the Special Use Permit application.

- Tyler visited the City of Hendersonville Stormwater Department to observe how they administer and operate their stormwater program. The City of Hendersonville is recognized as a model stormwater program within the region and continues to make improvements each year. As the Town of Fletcher continues to strengthen its own stormwater program, the Planning Department remains committed to implementing best practices and building a program that can serve as a model for communities of similar size. A special thank you to Hendersonville Stormwater staff, Dustin Moffitt and Mike Huffman, for taking the time to share their knowledge and insights.

- Tyler and Mark met with several developers and interested parties throughout the month to discuss opportunities within Town Center. During these meetings, they shared the Town's vision for future development, provided planning and visioning documents, and learned more about each group's goals and interests. The Town will continue to maintain an open dialogue with these parties as potential development concepts may evolve.

- Tyler met with Chris Brown and Sarah Leach of McGill Associates for a final coordination meeting prior to Chris's retirement at the end of the month. The group reviewed the current status of the Town's stormwater program, discussed remaining tasks for the year, and established a clear understanding of each team's responsibilities over the coming months to ensure a smooth transition.

- Tyler spoke with several property owners and citizens regarding potential development projects that may be submitted to the Town over the coming months. Based on these discussions, the Planning Department anticipates receiving several development applications within the next one to two months for review by the Planning Board and Town Council.

Public Works Department
Monthly Report
JULY 2026

Brush Pick Up

Public Works collected 305 brush orders which produced 416 Cyds of brush.

Vehicles

Public Works has received a bid with CES about a new garbage truck.

Public Works has received a bid for the replacement of our sweeper truck that was wrecked.

All other data is unavailable currently.

Sanitation

All data is currently unavailable.

Stormwater

Stormwater requests have increased dramatically. One has been submitted for approval and possibly four more are in the process.

FLETCHER POLICE DEPARTMENT

TEAMWORK - PROFESSIONALISM - DEDICATION

DANIEL D. TERRY
CHIEF

MEMORANDUM

To: Mark Biberdorf, Town Manager

From: Chief D. Terry

Date: August 5, 2026

Re: July 2026 Monthly Report

Training & Professional Development:

- Officer Khamsouk and Sergeant McCarson attended the Intoxilyzer recertification class so they can continue to perform the DWI breath test as needed.
- Detective Gonzalez attended the Remington Shotgun Armorers Course.
- Detective Gonzalez taught a 3-day First Responder Course at AB-Tech's BLET class.
- Chief Terry attended the North Carolina Police Executive Association's annual conference.

We had a total of 443 calls for service for the month of July. This does not include 1119 extra security checks. Forty-two incident reports were filed. Fifteen of these incidents required some type of investigative follow-up to be conducted. Twenty citations were issued for a total of 24 charges. Twenty-one auto accidents were reported and 12 arrests were made.

Of the 21 auto accidents, 12 of them occurred in parking lots. Only 9 occurred on the roadway.

Activities of interest for the month of July include:

- After a 16-month investigation starting in March 2025, charges were filed against an offender who provided illegal drugs that led to the overdose death of a man staying at the Super 8 Motel. The man overdosed on fentanyl and cocaine. The offender was charged with Death by Distribution of Certain Controlled Substances. He is presently held in the Henderson County Detention Center with no bond.
- During the early months of 2023, we experienced a rash of breaking and entering cases. They were solved and the offender was arrested. After spending a couple years detained in jail and prison, the offender was released only to commit more breaking and entering offenses. He was arrested again. This month he was finally sentenced to 10-13 years in prison for his numerous charges. The officers involved worked tirelessly presenting a very thorough and detailed investigation, even gathering additional evidence days before offender's sentencing. Having this habitual offender off the streets will prevent additional community members from being victimized.

- Officer responded to a business at 30 Airport Road for a man completely naked man rolling around on the ground and screaming in their parking lot. The man was found to be impaired on an unknown substance and in possession of a drug pipe. He was arrested and charged with Indecent Exposure and Possession of Drug Paraphernalia.
- A vehicle at Mercedes-Benz was entered after hours and tools were stolen. Officers located some of the stolen property at a pawn shop which helped identify a suspect who was later confirmed to be the offender and was charged with Breaking and Entering a Motor Vehicle and Larceny after Breaking and Entering. The property was returned to the owner.
- During the month, officers made (6) warrants arrests, (8) marijuana related arrests, (1) DWI arrests, and (1) methamphetamine arrest.
- Community engagement activities for the month of July included participation at the FABA community event at the park, Sheetz Grand Opening, and Hendersonville's 4th of July parade. Officers visited the summer camp group at the park and attended the Henderson County Investigator's Meeting, the Henderson County DSS Multi-Disciplinary Team Meeting, and the Crisis Negotiation Team's monthly team training.

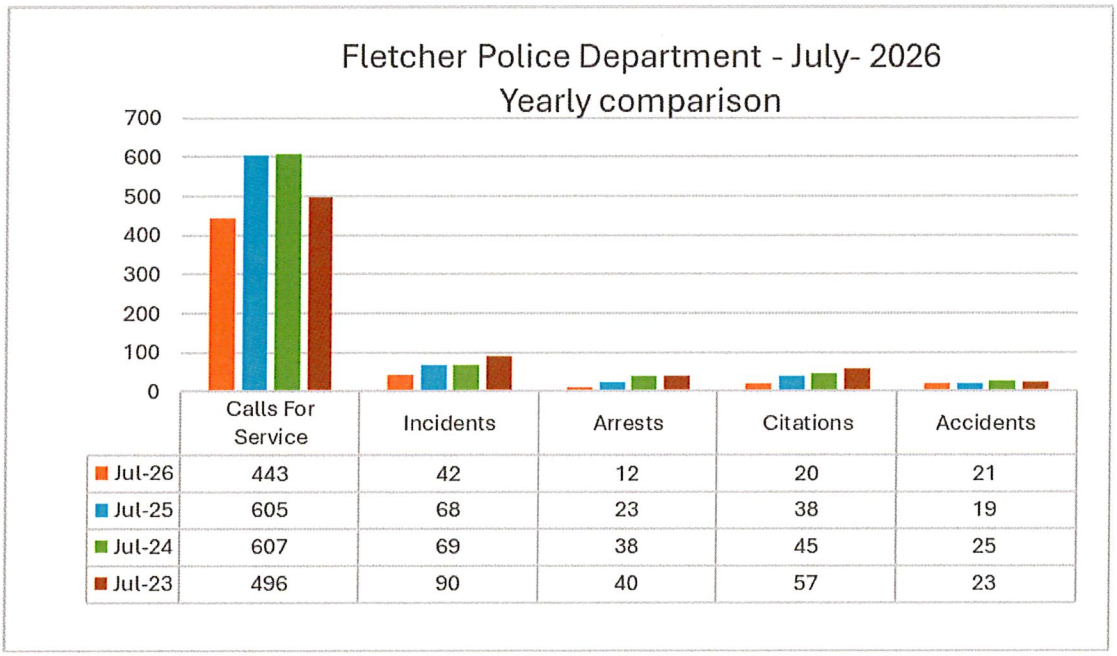

Respectfully Submitted,

Chief Dan Terry
