MASTER AGREEMENT BETWEEN CLIENT AND KIMLEY-HORN AND ASSOCIATES, INC. FOR CONTINUING PROFESSIONAL SERVICES

THIS AGREEMENT is made this 13 day of October, 2025, by and between the Town of Black Mountain ("Client") and KIMLEY-HORN AND ASSOCIATES, INC. and affiliated companies ("Consultant"). This Agreement sets forth the terms whereby the Consultant will provide professional services on one or more projects (with respect to each engagement, the "Project"), with the specifics of each engagement to be set forth in an Individual Project Order ("IPO"). If the IPO is executed by an affiliated company of Consultant, the IPO shall incorporate the terms of this Agreement as if signed by the affiliated company.

1) Scope of Services and Additional Services. The Consultant will perform only the services set forth in IPOs ("Services"). Any services that are not set forth in the scope of Services described in an IPO(s) will constitute additional services ("Additional Services"). If requested by the Client and agreed to by the Consultant, the Consultant will perform Additional Services, which shall be governed by these provisions. Unless otherwise agreed to in writing, the Client shall pay the Consultant for any Additional Services an amount based upon the Consultant's then-current hourly rates plus an amount to cover certain direct expenses including telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Other direct expenses will be billed at 1.15 times cost.

2) Client's Responsibilities. In addition to other responsibilities herein or imposed by law, the Client shall:
   a) Designate in writing a person to act as the Client's representative, such person having complete authority to transmit instructions, receive information, and make or interpret the Client's decisions.
   b) Provide all criteria and information as to the Client's requirements, objectives and expectations for the Project, and all standards of development, design, or construction.
   c) Provide the Consultant all available studies, plans, or other documents pertaining to the Project, such as surveys, engineering data, environmental information, etc., all of which the Consultant may rely upon.
   d) Arrange for access to the site and other property as required for the Consultant to provide its services.
   e) Review all documents or reports presented by the Consultant and communicate decisions pertaining thereto within a reasonable time so as not to delay the Consultant.
   f) Furnish approvals and permits for all government authorities having jurisdiction over the Project and approvals and consents from other parties as may be necessary.
   g) Obtain any independent accounting, legal, insurance, cost estimating, and feasibility services required by the Client.

h) Give prompt written notice to the Consultant whenever the Client becomes aware of any development that affects the Consultant's services, or any defect or nonconformance in any aspect of the Project.

3) Period of Services. The Consultant shall begin work on each IPO after receipt of a fully executed copy of the IPO. This Agreement and the rates of compensation in IPOs are agreed to in anticipation of conditions permitting orderly and continuous progress of the Project through completion of the Services. Times for performance shall be extended as necessary for delays or suspensions due to circumstances that the Consultant does not control. If such suspension or delay extends for more than six months, the Consultant's compensation shall be renegotiated.

4) Compensation for Services.
   a) The Consultant's compensation shall be as stated herein, unless otherwise stated in the IPO. The Client shall pay the Consultant an amount based upon the Consultant's then-current hourly rates plus an amount to cover certain direct expenses including telecommunications, in-house reproduction, postage, supplies, project related computer time, and local mileage. Other direct expenses will be billed at 1.15 times cost.
   b) If the Consultant's compensation is on an hourly basis, estimated fees and expenses incurred by the Consultant exceeding any estimates set forth in the IPO shall be the liability of the Client.

5) Method of Payment.
   a) Invoices will be submitted periodically for services performed and expenses incurred. Payment of each invoice will be due within 25 days of receipt. The Client shall also pay any applicable sales tax. All retainers will be held by the Consultant and applied against the final invoice. Interest will be added to accounts not paid within 25 days at the maximum rate allowed by law. If the Client fails to make any payment due the Consultant under this or any other agreement within 30 days after the Consultant's transmittal of its invoice, the Consultant may, after giving notice to the Client, suspend services and withhold deliverables until all amounts due are paid in full.
   b) The Client will remit all payments electronically to:

      Account Name: KIMLEY-HORN AND ASSOCIATES, INC.
      Bank Name and Address: WELLS FARGO BANK, N.A., SAN FRANCISCO, CA 94104
      Account Number: 2073089159554
      ABA#: 121000248

   c) The Client will send the project number, invoice number, and other remittance information by e-mail to payments@kimley-horn.com at the time of payment.

d) If the Client relies on payment or proceeds from a third party to pay Consultant and Client does not pay Consultant's invoice within 60 days of receipt, Consultant may communicate directly with such third party to secure payment.

e) If the Client objects to an invoice, it must advise the Consultant in writing giving its reasons within 14 days of receipt of the invoice or the Client's objections will be waived, and the invoice shall conclusively be deemed due and owing. If the Client objects to only a portion of the invoice, payment for all other portions remains due.

f) If the Consultant initiates legal proceedings to collect payment, it shall recover, in addition to all amounts due, its reasonable attorneys' fees, reasonable experts' fees, and other expenses related to the proceedings. Such expenses shall include the cost, at the Consultant's normal hourly billing rates, of the time devoted to such proceedings by its employees.

g) The Client agrees that the payment to the Consultant is not subject to any contingency or condition. The Consultant may negotiate payment of any check tendered by the Client, even if the words "in full satisfaction" or words intended to have similar effect appear on the check without such negotiation being an accord and satisfaction of any disputed debt and without prejudicing any right of the Consultant to collect additional amounts from the Client.

6) Use of Deliverables. All documents, data, and other deliverables prepared by the Consultant are related exclusively to the services described in the IPO and may be used only if the Client has satisfied all of its obligations under this Agreement. They are not intended or represented to be suitable for use or reuse by the Client or others on extensions of this Project or on any other project. Any modifications by the Client to any of the Consultant's deliverables, or any reuse of the deliverables without written authorization by the Consultant will be at the Client's sole risk and without liability to the Consultant, and the Client shall indemnify, defend and hold the Consultant harmless from all claims, damages, losses and expenses, including but not limited to attorneys' fees, resulting therefrom. The Consultant's electronic files and source code remain the property of the Consultant and shall be provided to the Client only if expressly provided for in the IPO. Any electronic files not containing an electronic seal are provided only for the convenience of the Client and use of them is at the Client's sole risk. In the case of any defects in the electronic files or any discrepancies between them and the hardcopy of the deliverables prepared by the Consultant, the hardcopy shall govern.

7) Intellectual Property. Consultant may use or develop its proprietary software, patents, copyrights, trademarks, trade secrets, and other intellectual property owned by Consultant or its affiliates ("Intellectual Property") in the performance of this Agreement. Intellectual Property, for purposes of this section, does not include deliverables specifically created for the Client pursuant to this Agreement and use of such deliverables is governed by section 6 of this Agreement. Unless explicitly agreed to in writing by both parties to the contrary, Consultant maintains all interest in and ownership

of its Intellectual Property and conveys no interest, ownership, license to use, or any other rights in the Intellectual Property to Client. Any enhancements of Intellectual Property made during the performance of this Agreement are solely owned by Consultant and its affiliates. If Consultant's services include providing Client with access to or a license for Consultant's (or its affiliates') proprietary software or technology, Client agrees to the terms of the Software License Agreement set forth at https://www.kimley-horn.com/khts-software-license-agreement ("the License Agreement") which terms are incorporated herein by reference.

8) Opinions of Cost. Because the Consultant does not control the cost of labor, materials, equipment, or services furnished by others, methods of determining prices, or competitive bidding or market conditions, any opinions rendered as to costs, including but not limited to the costs of construction and materials, are made solely based on its judgment as a professional familiar with the industry. The Consultant cannot and does not guarantee that proposals, bids or actual costs will not vary from its opinions of cost. If at any time the Client wishes greater assurance as to the amount of any cost, it shall employ an independent cost estimator. Consultant's services required to bring costs within any limitation established by the Client will be paid for as Additional Services.

9) Termination. The obligation to provide further services under this Agreement may be terminated by either party upon seven days' written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof, or upon thirty days' written notice for the convenience of the terminating party. The Consultant shall be paid for all services rendered and expenses incurred to the effective date of termination, and other reasonable expenses incurred by the Consultant as a result of such termination.

10) Standard of Care. The standard of care applicable to Consultant's services will be the degree of care and skill ordinarily exercised by consultants performing the same or similar services in the same locality at the time the services are provided. No warranty, express or implied, is made or intended by the Consultant's performance of services, and it is agreed that the Consultant is not a fiduciary with respect to the Client.

11) LIMITATION OF LIABILITY. In recognition of the relative risks and benefits of the Project to the Client and the Consultant, the risks are allocated such that, to the fullest extent allowed by law, and notwithstanding any other provisions of this Agreement or the existence of applicable insurance coverage, that the total liability, in the aggregate, of the Consultant and the Consultant's officers, directors, employees, agents, and subconsultants to the Client or to anyone claiming by, through or under the Client, for any and all claims, losses, costs, attorneys fees, or damages whatsoever arising out of or in any way related to the services under this Agreement from any causes, including but not limited to, the negligence, professional errors or omissions, strict liability or breach of contract or any

warranty, express or implied, of the Consultant or the Consultant's officers, directors, employees, agents, and subconsultants shall not exceed twice the total compensation received by the Consultant under the IPO or $50,000, whichever is greater. Higher limits of liability may be negotiated for additional fee. This Section is intended solely to limit the remedies available to the Client or those claiming by or through the Client, and nothing in this Section shall require the Client to indemnify the Consultant.

12) Mutual Waiver of Consequential Damages. In no event shall either party be liable to the other for any consequential, incidental, punitive, or indirect damages including but not limited to loss of income or loss of profits.

13) Construction Costs. Under no circumstances shall the Consultant be liable for extra costs or other consequences due to changed or unknown conditions or related to the failure of contractors to perform work in accordance with the plans and specifications. Consultant shall have no liability whatsoever for any costs arising out of the Client's decision to obtain bids or proceed with construction before the Consultant has issued final, fully approved plans and specifications. The Client acknowledges that all preliminary plans are subject to substantial revision until plans are fully approved and all permits obtained.

14) Certifications. All requests for the Consultant to execute certificates, lender consents, or other third-party reliance letters must be submitted to the Consultant at least 14 days prior to the requested date of execution. The Consultant shall not be required to execute certificates, consents, or third-party reliance letters that are inaccurate, that relate to facts of which the Consultant does not have actual knowledge, or that would cause the Consultant to violate applicable rules of professional responsibility.

15) Dispute Resolution. All claims arising out of this Agreement shall be submitted first to mediation in accordance with the American Arbitration Association as a condition precedent to litigation. Any mediation or civil action by the Client must be commenced within one year of the accrual of the cause of action asserted but in no event later than allowed by applicable statutes.

16) Construction Phase Services.
    a) If the Consultant prepares construction documents and the Consultant is not retained to make periodic site visits, the Client assumes all responsibility for interpretation of the documents and for construction observation, and the Client waives any claims against the Consultant in any way connected thereto.

b) The Consultant shall have no responsibility for any contractor's means, methods, techniques, equipment choice and usage, equipment maintenance and inspection, sequence, schedule, safety programs, or safety practices, nor shall Consultant have any authority or responsibility to stop or direct the work of any contractor. The Consultant's visits will be for the purpose of observing construction and reporting to the Client whether the contractors' work generally conforms to the construction documents prepared by the Consultant. Consultant neither guarantees the performance of contractors, nor assumes responsibility for any contractor's failure to perform its work in accordance with the contract documents.

c) The Consultant is not responsible for any duties assigned to it in the construction contract that are not expressly provided for in this Agreement. The Client agrees that each contract with any contractor shall state that the contractor shall be solely responsible for job site safety and for its means and methods; that the contractor shall indemnify the Client and the Consultant for all claims and liability arising out of job site accidents; and that the Client and the Consultant shall be made additional insureds under the contractor's general liability insurance policy.

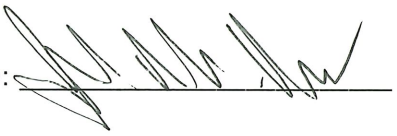

17) Hazardous Substances. Consultant shall not be a custodian, transporter, handler, arranger, contractor, or remediator with respect to hazardous substances and conditions. Consultant's services will be limited to analysis, recommendations, and reporting, including, when agreed to, plans and specifications for isolation, removal, or remediation. The Consultant shall notify the Client of unanticipated hazardous substances or conditions of which the Consultant actually becomes aware. The Consultant may stop affected portions of its services until the hazardous substance or condition is eliminated.

18) Assignment and Subcontracting. This Agreement gives no rights or benefits to anyone other than the Client and the Consultant, and all duties and responsibilities undertaken pursuant to this Agreement will be for the sole benefit of the Client and the Consultant. The Client shall not assign or transfer any rights under or interest in this Agreement, or any claim arising out of the performance of services by Consultant, without the written consent of the Consultant. The Consultant reserves the right to augment its staff with subconsultants as it deems appropriate due to project logistics, schedules, or market conditions. If the Consultant exercises this right, the Consultant will maintain the agreed-upon billing rates for services identified in this Agreement or the IPO, regardless of whether the services are provided by in-house employees, contract employees, or independent subconsultants.

19) Confidentiality. The Client consents to the Consultant's use and dissemination of photographs of the Project and to the use by the Consultant of facts, data and information obtained by the Consultant in the performance of its services. If, however, any facts, data or information are specifically identified in

writing by the Client as confidential, the Consultant shall use reasonable care to maintain the confidentiality of that material.

20) Miscellaneous Provisions. This Agreement is to be governed by the law of the State where the Project is located. This Agreement and each executed IPO contain the entire and fully integrated agreement between the parties, and supersedes all prior and contemporaneous negotiations, representations, agreements, or understandings, whether written or oral. Except as provided in Section 1, this Agreement can be supplemented or amended only by a written document executed by both parties. Any conflicting or additional terms on any purchase order issued by the Client shall be void and are hereby expressly rejected by the Consultant. If Client requires Consultant to register with or use an online vendor portal for payment or any other purpose, any terms included in the registration or use of the online vendor portal that are inconsistent or in addition to these terms shall be void and shall have no effect on Consultant or this Agreement. Any provision in this Agreement that is unenforceable shall be ineffective to the extent of such unenforceability without invalidating the remaining provisions. The non-enforcement of any provision by either party shall not constitute a waiver of that provision or affect the enforceability of that provision or the remainder of this Agreement.

ATTACHMENT A – FEDERALLY REQUIRED TERMS AND CONDITIONS – HURRICANE HELENE

Federal Applicability:

The Town anticipates that this Contract may be financed in whole or in part with Federal and or State funding. As such, applicable Federal and State laws, regulations, policies, and related administrative practices apply to this Contract. The most recent of such Federal and/or State requirements, including any amendments made after the execution of this Contract, shall govern this Contract, unless the Federal and/or State Government determines otherwise. This Section identifies the Federal and State requirements that are applicable to this Contract. The Contractor is responsible for complying with all applicable provisions.

To the extent applicable, the Federal and State requirements are deemed incorporated into this Contract by reference and shall be incorporated into any subcontract or subcontract executed by the Contractor pursuant to its obligations under this Contract. The Contractor and its subcontractors, if any, hereby represent and covenant that they have complied and shall comply in the future with all applicable provisions of Federal, State, and local laws, regulations, and rules and local policies and procedures, as amended from time to time, relating to the Work to be performed under this Contract. Anything to the contrary herein notwithstanding, all Federal awarding agency-mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any Town requests, which would cause the Town to be in violation of the Federal awarding agency's terms and conditions.

This Contract may be financed, in whole or in part, by funding provided by federal programs **including, but not limited to**, the Federal Emergency Management Agency (FEMA), the Department of Housing and Urban Development, (HUD), or the Department of Transportation (DOT). Contractor shall at all times comply with all applicable federal regulations, policies, procedures, and directives, including without limitation those listed directly or by reference, as they may be amended or promulgated from time to time during the term of this Contract. Contractor's failure to so comply shall constitute a material breach of this Contract.

REMEDIES:

PERFORMANCE AND DEFAULT: If, through any cause, contractor shall fail to fulfill in timely and proper manner the obligations under The Contract, the Town shall have the right to terminate The Contract by giving written notice to the contractor and specifying the effective date thereof. In that event any or all finished or unfinished deliverable items under The Contract prepared by the contractor shall, at the option of the Town, become its property, and the contractor shall be entitled to receive just and equitable compensation for any acceptable work completed as to which the option is exercised. Notwithstanding, contractor shall not be relieved of liability to the Town for damages sustained by the Town by virtue of any breach of The Contract, and the Town may withhold any payment due the contractor for the purpose of set off until such time as the exact amount of damages due the Town from such breach can be determined.

In the event of default by the contractor, the Town may procure the goods and services necessary to complete performance hereunder from other sources and hold the contractor responsible for any excess cost occasioned thereby. In addition, in the event of default by the contractor under The Contract, or upon the contractor filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the contractor, the Town may immediately cease doing business with the contractor, immediately terminate The Contract for cause, and may take action to debar the contractor from doing future business with the Town.

TERMINATION FOR CAUSE OR CONVENIENCE:

For purposes of clarity, it is expressly noted that, if the contractor fails to fulfill its obligations under The

Contract, or otherwise breaches the terms of The Contract, the Town shall be entitled to terminate The Contract by giving written notice to the contractor and specifying the effective date thereof. In such an event, the Town shall have the right to pursue any of the additional remedies listed in the preceding section of these Terms and Conditions.

If this contract contemplates deliveries or performance over a period of time, the Town may, for any reason within its sole discretion, terminate this contract at any time by providing 30 days' notice in writing from the Town to the contractor. In that event, any or all finished or unfinished deliverable items prepared by the Vendor under this contract shall, at the option of the Town, become its property. If the contract is terminated by the Town as provided in this section, the Town shall pay for those items for which such option is exercised, less any payment or compensation previously made.

CONTRACT CHANGES:

Contract changes must be in writing and agreed on by the Town and the vendor and will be implemented by contract amendments. The cost of the change, modification, change order, or constructive change must be allowable, allocable, within the scope of its grant or cooperative agreement, and reasonable for the completion of project scope. Contract amendments will be coordinated with the Project Manager and approved by the Town before any changes should occur.

NONDISCRIMINATION

Equal Employment Opportunity

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, Town that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will comply with Section 504 of the Rehabilitation Act of 1973, as amended. The contractor will furnish all information and reports required by Executive Order 11246 of September

(1) 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(2) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(3) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (9) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the Town to enter into such litigation to protect the interests of the Town. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a Town or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceeding.

In accordance with Section 4 of the Age Discrimination in Employment Act of 1967, as amended, and 29 USC 623 through 634 and the implementing U.S. Equal Employment Opportunity Commission (U.S. EEOC) regulations, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.
