Overview and Request

Overview

The State of North Carolina and North Carolina Amateur Sports established an annual Youth Sports Grant fund from a percentage of the sports wagering tax revenues. Youth sports grants are funded annually to local government agencies and 501(c)(3) nonprofits in all 100 North Carolina counties. These grants may be used for youth sports equipment, or facility upgrades and improvements that primarily benefit youth sports.

The Buncombe County Parks and Recreation Department has been awarded a $10,700 grant to purchase a youth mountain biking fleet and equipment to be utilized in youth mountain biking programs throughout the county. Programs will be focused to serve historically marginalized communities as well as those impacted by Hurricane Helene.
