BUDGET AMENDMENT #FY25-26
To Accompany the Engineering for Veteran's Park Bridge Capital Project Ordinance

Ordinance #: O-25-29

Background:
The Town Council of the Town of Black Mountain has authorized the creation of a Capital Project Fund for engineering and design services associated with the Veteran's Park Bridge. The bridge sustained significant damage during Tropical Storm Helene, and engineering work is necessary to design replacement or restoration solutions that meet FEMA Public Assistance and NCDEQ requirements. The project will be funded through the North Carolina State Bridge Loan Program, which provides bridge funding to advance FEMA-eligible projects prior to reimbursement.

Section 1. Purpose
To amend the FY2025–2026 budget to recognize and appropriate $120,000 in revenue and expenditure for the *Veteran's Park Bridge Engineering Project*.

Section 2. Amendments
