Sewer Tap Relocation Fee	Fee[13]
Flat Fee	$1,375
Charges for sewer tap relocations will be calculated on a case-by-case basis by the Public Works Director. Charges for such taps shall include the city's cost of personnel time, materials, and equipment, plus 35 percent of the direct labor charge. The minimum and maximum sewer tap relocation fees are set forth above.	

[12] The Public Works Director may impose additional fees to recover the true cost of water and/or sewer tap installation when such is warranted by site conditions. In such cases, fees shall be computed at the sum total of the cost of labor, materials, and equipment necessary for completion of the work plus 35 percent of the direct labor charge.

[13] During a "State of Emergency" as defined by Chapter 21.2 of the Brevard Unified Development Ordinance, the Zoning Administrator may temporarily waive such fees for temporary uses associated with emergency response and recovery as described in Chapter 21.3 of the UDO. The duration of the waiver shall correspond with the duration of the State of Emergency, after which the fees must be paid in full or the meters recovered and the utility access terminated.
