STATEMENT OF CONSISTENCY AND REASONABLENESS WITH ADOPTED PLANS AND POLICIES OF THE CITY OF BREVARD
REZ-25-XXX

NCGS 160D-604 requires that the Planning Board shall advise and comment on whether the proposed amendment is consistent with any comprehensive plan prior to consideration by the Governing Board. The Planning Board shall provide a written recommendation to the Governing Board that addresses plan consistency and other matters as deemed appropriate by the Planning Board, but a comment by the Planning Board that a proposed amendment is inconsistent with the Comprehensive Plan shall not preclude consideration or approval of the proposed amendment by the Governing Board.

The Brevard Planning Board forwards this recommendation of the NMX zoning district to City Council with a finding that the proposed zoning map amendment is **consistent** with the following elements of the City's adopted plans and policies:

Comprehensive Land Use Plan

- **LUH-2:** Evaluate rezoning requests based on the Future Land Use Map and character area descriptions.
- **LUH-6:** Encourage rezonings to allow for a mix of uses in Activity Centers.
- **Future Land Use Map:** the subject parcel is identified as an Activity Center - Minor character area, for which RMX is an applicable zoning district

---

NCGS 160D-605 requires the Governing Board to approve a statement analyzing the reasonableness of a proposed rezoning. The statement of reasonableness and the statement of consistency may be approved as a single statement.

The Brevard Planning Board forwards this recommendation to City Council with a finding that the proposed zoning map amendment is in the public interest and **reasonable** due to the following factors:

- This property is located in the *Activity Center – Minor* character area in the Future Land Use Map, for which RMX is an applicable zoning district.
- The location of the proposed rezoning to existing RMX diminishes spot zoning concerns.
- There is significant overlap between the currently allowed uses and the allowed uses of the proposed new district.
- The rezoning is consistent with the above elements of the Comprehensive Land Use Plan.
