THE CITY OF ASHEVILLE

Staff Report

Council Meeting Date: September 26, 2023

Subject: Swannanoa River Greenway Condemnation Authority

Staff Resource(s): Taylor Morris, Asst. City Attorney; Jade Dundas, Capital Projects Director

Action Requested: Adopt a resolution authorizing the City Attorney's Office to condemn easements needed for the Swannanoa River Greenway Construction Project.

Background:
- This Swannanoa River Greenway Construction Project will install approximately one mile of greenway along the Swannanoa River where no bicycle or pedestrian facilities currently exist.
- The City of Asheville entered into a design contract with Equinox in July 2018 for a feasibility analysis of potential greenway routes within the Swannanoa River area.
- Construction bids for the greenway were received August 31, 2023.
- All property owners were provided with offers of financial compensation for the needed easements, based on assessed value or appraisals obtained from a North Carolina licensed appraiser.
- Despite best efforts, the City has exhausted all opportunities to acquire the needed property rights through voluntary acquisition, therefore condemnation is necessary in order to protect the project schedule.

Council Goal(s):
- Clean & Healthy Environment

Committee(s):
- None

Pro(s):
- Will facilitate the completion of a needed greenway installation project and safeguard the project schedule.

Con(s):
- Will result in the commencement of eminent domain actions against eight properties.

Fiscal Impact:
- The expected value of the needed easements is approximately $340,000. The appraisal value for the needed easements on each parcel is as follows:
  9658-32-2985: $139,900; 9658-23-0140, 9658-13-9185, 9658-23-1310, 9658-23-1153, 9658-12-7767 combined: $154,200; 9658-22-6896: $20,275; 9658-23-3003: $23,750
- Funding for these easements were previously budgeted and is available in the General Capital Projects Fund.

Suggested Motion:
- Motion to adopt a resolution authorizing the City Attorney's Office to condemn easements needed for the Swannanoa River Greenway Construction Project.
